

WATER CODE

SECTION 79540-79544

79540. (a) The sum of one hundred million dollars (\$100,000,000) shall be available for appropriation by the Legislature from the fund to the board for competitive grants for the following purposes:

- (1) Water pollution prevention.
- (2) Water reclamation.
- (3) Water quality improvement.
- (4) Water quality blending and exchange projects.
- (5) Drinking water source protection projects.

(6) Projects to mitigate pathogen risk from recreational uses at drinking water storage facilities.

(b) Priority shall be given to projects that assist in meeting water quality standards established by the board.

(c) The Legislature may enact such legislation as is necessary to implement this section.

79540.1. (a) Grants shall be awarded in accordance with Section 79540 on a statewide competitive basis.

(b) To the extent funds appropriated pursuant to Section 79540 are expended for the purposes of programs established under Division 20.4 (commencing with Section 30901) of the Public Resources Code, those funds shall comply with the requirements of that division.

79541. The sum of one hundred million dollars (\$100,000,000) shall be available for appropriation by the Legislature from the fund to the secretary for the acquisition from willing sellers, restoration, protection, and development of river parkways. The secretary shall allocate this money in accordance with Article 6 (commencing with Section 78682) of Chapter 6 of Division 24 or pursuant to any other statute that provides for the acquisition, restoration, protection, and development of river parkways. Priority shall be given to projects that are implemented pursuant to approved watershed plans and include water quality and watershed protection benefits. This money may also be used to acquire facilities necessary to provide flows to improve water quality downstream.

79542. The sum of forty million dollars (\$40,000,000) shall be available for appropriation by the Legislature from the fund to the California Tahoe Conservancy for acquisition from willing sellers, restoration, and protection of land and water resources to improve water quality in Lake Tahoe.

79543. (a) The sum of one hundred million dollars (\$100,000,000)

shall be available for appropriation by the Legislature from the fund to the board for the purpose of financing projects that restore and protect the water quality and environment of coastal waters, estuaries, bays and nearshore waters, and groundwater.

(b) All expenditures, grants, and loans made pursuant to this section shall be consistent with the requirements of Article 5 (commencing with Section 79148) of Chapter 7 of Division 26.

(c) Of the money made available pursuant to this section, not less than twenty million dollars (\$20,000,000) shall be expended to implement priority actions specified in the Santa Monica Bay Restoration Plan. Money appropriated pursuant to this subdivision shall be allocated as recommended by the Santa Monica Bay Restoration Commission.

(d) Money made available pursuant to this section shall supplement, not supplant, money appropriated or available pursuant to that Article 5 (commencing with Section 79148), and no money appropriated pursuant to this section shall be used for a project for which an appropriation was made pursuant to that Article 5 (commencing with Section 79148).

79544. The sum of thirty million dollars (\$30,000,000) shall be available for appropriation by the Legislature from the fund to the secretary for the purpose of grants to local public agencies, local water districts, and nonprofit organizations for acquisition from willing sellers of land and water resources to protect water quality in lakes, reservoirs, rivers, streams and wetlands in the Sierra Nevada-Cascade Mountain Region as defined in Section 5096.347 of the Public Resources Code.
