Chairman Charlie R. Hoppin  
1001 I Street  
Sacramento, CA 95814

Dear Chairman Hoppin,

Please phase out the Once-Through-cooling in California power plants. It's needlessly destructive and it damages California. We can't afford this. I would even pay higher rates for my electricity that to know how much destruction my electricity is responsible for.

Sincerely,

Mr. Jurek Zarzycki
