Dear Mr. Baggett,

As a California resident, I am DEEPLY CONCERNED WITH THE PROTECTION OF OUR WORLD RENOWNED COASTLINE. I am specifically interested in ensuring the maximum protection for California's "Areas of Special Biological Significance" (ASBSs).

These 34 areas along the coast, were given special protection status decades ago to safeguard the unique and sensitive biological species and communities found in these areas.

I AM IN FULL SUPPORT OF STRONG ACTIONS TO PROTECT THESE AREAS FROM POLLUTION, INCLUDING ROBUST MEASURES TO PROTECT AND RSTORE ASBSS.

Thank you for your time and consideration.

Sincerely,

Mr. Michael Theodore
