SUBSTITUTE ENVIRONMENTAL DOCUMENTATION STAFF REPORT

ISSUE 3 - Non Substantive Administration Changes

- #1 - Page 62, it is stated under Issue Description that "Staff is proposing updates to Figure VIII-5 to reflect the correct location of Aliso Water Management Agency's ocean outfall and the newly adopted MPAs. In addition to replacing/Figure VIII-5..." Updating a map is different from replacing the document. Use "update", or "replace", not both words. Or, use the words on Page 63, "was replaced with an updated map".
- #2 - Page 62, Issue Description, first paragraph, it is stated "State Water Boards website". Change "Boards" to "Board's".
- #3 - Page 62, Issue Description, second paragraph, I concur with the Tables A, B, C, and D changes to appear in alphabetical order by changing Table A to Table 2, Table B to Table 1, Table C to Table 3, and Table D to Table 4 (Page 63, Proposed Ocean Plan Amendment).
- #4 - Table B also appears on Pages 33, 34, and 43. The change must also be made in these pages. Table B does not appear on Page 58 since the 2009 Ocean Plan has only 50 pages. The page number 58 does appear when the document is downloaded on the State Water Board's "Documents for Public Review" Website section.
- #5 - Table C also appears on Page 41.
- #6 - Page 62, Issue Description, I concur with the change of SWRCB to State Water Board (Page 63, Proposed Ocean Plan Amendment).
- #7 - The change to State Water Board must also be made to Pages 2, 21, and 28.
- #8 - Page 62, Issue Description, I concur with the change of RWQCB to Regional Water Board (Page 63, Proposed Ocean Plan Amendment).

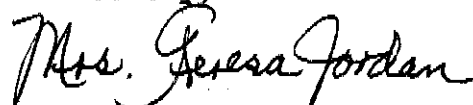

5

- #9 - The change to Regional Water Board, or Regional Water Boards must be made to Pages 10, 12, 16, 19, 20, 21, 33, and 35.
- #10 - Page 62, Issue Description, I concur with changing "PH" to "pH" (Page 63, Proposed Ocean Plan Amendment).
- #11 - Page 62, Issue Description, I concur with changing "Ml" to "ml" (Page 63, Proposed Ocean Plan Amendment, issue not included).
- #12 - Page 62, Issue Description, it is stated "The other proposed changes include: ...changing references to Chapter III(I) on pages 5 and 23 to the correct reference of Chapter III(J)". It is stated on Page 63, Proposed Ocean Plan Amendment, that "Chapter III(I) changed to Chapter III(J) on pages 23". This change was extremely difficult to agree or disagree with. Chapter III.I. Discharge Prohibitions in the 2009 Ocean Plan (Pages 22 and 23) is the same chapter in the 2011 Draft Ocean Plan (APPENDIX A, Page 24). The only difference is that the Chapter III(I) title in the 2009 Ocean Plan was separated from its numbers, and in the 2011 Draft the chapter is not separated, and the number 5. Vessels has been added. Chapter III.J. State Board Exceptions to Plan Requirements in the 2009 Ocean Plan (Page 23) is the same chapter in the 2011 Draft Ocean Plan (APPENDIX A, Page 25). Chapter III(I) was not changed to Chapter III(J).
- #13 - Page 14, the 2009 and 2011 Draft Ocean Plans, "ug/l" was changed to "ug/L".

QUESTION

1. Why was Page 32 left blank?

Sincerely,

Mrs. Teresa Jordan
