Subject: Comments on Preliminary Draft General Construction Permit

Dear Ms. Her:

The California Council for Environmental and Economic Balance (CCEEB) will be submitting comments to the State Water Resources Control Board on the Preliminary Draft General Construction Permit. Southern California Edison (SCE) is writing this letter in support of the comments by CCEEB, and in lieu of writing a separate comment letter. SCE participated in the creation of CCEEB's comment letter, and would like to thank the Board for its consideration of the comments submitted.

I can be reached at (626) 476-9411 or via email at [hazem.gabr@sce.com](mailto:hazem.gabr@sce.com). Please do not hesitate to call if there are any questions regarding the comments submitted by SCE via CCEEB.

Sincerely,
