Subject: California Stormwater Quality Association (CASQA) Comments on the March 2007 Preliminary Draft Construction Stormwater Permit

Dear Ms. Her and Members of the Board:

On behalf of the City of Fullerton, thank you for the opportunity to provide comments on the Preliminary Draft Construction General Permit. The City of Fullerton has reviewed the Preliminary Draft Construction Permit, attending the Public Workshop on April 17, 2007 at Rancho Cucamonga City Council Chambers, and reviewed comments, made by CASQA, on the Preliminary Draft Construction Permit.

In lieu of making additional comments that are covered by CASQA comments, the City of Fullerton endorses the comments made by CASQA in the association's letter dated May 4, 2007.

Thank you for your consideration of our comments and for your efforts to resolve the issues addressed during the preliminary draft comment period. The City of Fullerton understands that a formal draft permit will be released subsequent to the informal workshop period which will allow stakeholders another opportunity to provide comments.

Please feel free to contact me at (714) 738-5333 if you have any questions regarding the City's endorsement.

Sincerely,
