

State Water Resources Control Board

NOTICE OF CANCELLATION OF PUBLIC WORKSHOP

The State Water Resources Control Board hereby cancels the Public Workshop on

COST OF COMPLIANCE

The Public Workshop was scheduled to commence on
November 9, 2021
at 1:00 p.m.

PLEASE TAKE NOTICE

The Public Workshop formerly scheduled to commence on November 9, 2021, as identified in the October 13, 2021 [Revised Notice of Public Workshop](#), is **cancelled**.

The workshop was intended to focus on costs of compliance for the Irrigated Lands Regulatory Program and to provide an opportunity for stakeholders to discuss ways to reduce costs of compliance. Based on stakeholder interest in focusing the discussion of costs on the fee setting process, staff have determined that a discussion of cost of compliance is premature. Cost of compliance remains an important topic and a priority for the Water Board. Staff will convene a workshop, as appropriate, at a future date.
