

**UNDERGROUND STORAGE TANK  
TANK AND LINE INTEGRITY TESTING, AND ENHANCED LEAK  
DETECTION TEST NOTIFICATION FORM  
OFFICE OF TANK TESTER LICENSING**

[OTTL@waterboards.ca.gov](mailto:OTTL@waterboards.ca.gov)

Test notifications for testing tank and line integrity testing, and enhanced leak detection (ELD) testing are required to be submitted to the Office of Tank Tester Licensing (OTTL) in accordance with the California Code of Regulations, title 23, chapter 17, section 2772. If changes to test notifications occur after submittal to OTTL, please notify OTTL of those changes immediately.

Using this form, provide OTTL with the following information when submitting test notifications:

**SUBMITTAL DATE:** \_\_\_\_\_

<b>FACILITY INFORMATION</b>		
CERS ID	Test Date and Time	
Facility Name		
Facility Address	City	ZIP Code
<b>TANK TESTER INFORMATION</b>		
Company Performing the Test		Phone
Mailing Address		
Licensee Name		
OTTL License #		Expiration Date
<b>TEST METHOD INFORMATION</b>		
Test Method		Components Tested

**Post Construction ELD: Is the form for post construction contractor statement attached?**  
 YES  NO If no is selected, provide general contractor statement prior to testing.

Failure to comply and provide all of the above information may result in disciplinary action against licensed tank tester. Please note that this notification does not waive the requirement for the 48-hour notice to the local agency in accordance with the provisions of California Code of Regulations, title 23, chapter 16, sections 2643(g) and 2644.1(a)(4).
