In the Matter of Determination of the Various Claimants to the Waters of Little Rock Creek, and its Tributaries in Nevada County, California

ORDER DENYING PETITION FOR DETERMINATION OF WATER RIGHTS

WHEREAS, Laurence R. Brewer and Mary C. Brewer having filed a petition with the State Water Resources Control Board pursuant to Water Code 2525 requesting determination of the rights of the various claimants to the waters of Little Rock Creek in Nevada County, California;

AND the Board, having made an investigation finds that the facts and conditions are such that the public interest and necessity will not be served by a determination of the rights of the various claimants because (1) the dispute involves only two of the water users on the stream system, and (2) an obvious and equitable basis for settlement of the dispute is available.

NOW, THEREFORE, IT IS ORDERED that said petition be, and it is hereby denied.
