U. S. BUREAU OF RECLAMATION, Permittee)

ORDER: WR 89- 10
SOURCE: Old River
COUNTY: Contra Costa

ORDER VALIDATING THE ISSUANCE OF A
CONDITIONAL TEMPORARY URGENCY CHANGE ORDER
ADDING A POINT OF DIVERSION AND REDIVERSION

BY THE BOARD:

The U. S. Bureau of Reclamation (Bureau) having filed a petition for a Temporary Urgency Change, in point of diversion and rediversion, pursuant to Chapter 6.6 (commencing with Section 1435), Part 2, Division 2 of the Water Code; the State Water Resources Control Board (Board) having consulted with the U. S. Fish and Wildlife Service, the Department of Fish and Game and the Department of Water Resources (DWR); Board Vice Chairwoman Darlene E. Ruiz, having concluded from available information that a Temporary Urgency Change Order should be issued and having issued said order on May 9, 1989, subject to review and validation by the Board as provided by Water Code Section 1435(d); the Board finds as follows:

Substance of the Proposed Temporary Urgency

1. On April 28, 1989, the Bureau filed a petition for a temporary urgency change to add the State Water Project's (SWP) Clifton Court Forebay, the intake to the DWR's Harvey O. Banks Pumping Plant (SWP Banks) as an additional temporary point of diversion, for the May 10, 1989 through

August 20, 1989 period. The petition requests authorization to pump up to 30,000 acre-feet (af) of Bureau entitlement water through SWP Banks under the water rights listed in Table 1. Use of SWP Banks was requested to offset reduced diversions at the Bureau's Central Valley Project Tracy Pumping Plant (CVP Tracy). The reduced diversions at CVP Tracy were required in order to allow fish studies in the Sacramento-San Joaquin Delta (Delta) from May 1 through May 9, 1989.

TABLE 1
Water Right Applications and Permits Covered by the
Petition for Temporary Urgency Change

<u>Application</u>	<u>Permit</u>
5626	12721

9364	12723
9368	12727
13370	11315
13371	11316
15374	11968
15375	11969
15764	12860
16767	11971
17374	11973
17376	12364

Action By Board Vice Chairwoman Ruiz:

2. In accordance with the delegation of authority in Water Code Section 1435(d) and the Board's adoption of Resolution 84-2, Board Vice Chairwoman Darlene E. Ruiz made findings and issued a Conditional Temporary Urgency

Change Order on May 9, 1989, allowing a temporary change in point of diversion and rediversion, at the Clifton Court Forebay, for up to 30,000 af of water under permits listed in Table 1, subject to several specified conditions. We concur in and incorporate herein by reference the findings set forth in the Order issued on May 9, 1989.

Notice Of The Petition:

3. On May 12, 1989, Notice of the petition for the Temporary Urgency Change was mailed to interested parties.
4. In accordance with Water Code Section 1438(b)(1), the Board advised the Bureau to have the Notice published in the Contra Costa Times newspaper since the point of diversion and rediversion is located within Contra Costa County. The Notice was published on May 19, 1989.
5. The final date for submitting objections was May 26, 1989.

Responses:

6. The Department of Fish and Game submitted a memorandum dated May 31, 1989 expressing support for the temporary urgency change.
7. No written objections to the proposed temporary urgency change have been submitted.

Additional Findings:

8. The mean monthly diversion limit at CVP Tracy for May and June, under Board Decision 1485 (D1485), is 3,000 cfs.
9. In order to accommodate the previously described fish studies, the CVP Tracy pumping rate was reduced from about 3,000 cfs to about 1,650 cfs during the May 2 through May 9, 1989 period. This resulted in reduced diversions during this period amounting to about 18,000 af.
10. Bureau pumping at CVP Tracy may exceed the 3,000 cfs instantaneous rate during the remainder of May 1989. Pumping at that rate would offset a portion of the curtailments without violating D1485 criteria.
11. The Bureau has a temporary urgent need to add the proposed point of diversion and rediversion at the entrance to the Clifton Court Forebay and to use the SWP Banks Pumping Plant to make up for the pumping curtailment not offset at CVP Tracy.
12. On May 9, 1989, pursuant to the conditional order issued by Vice Chairwoman Ruiz, the Chief of the Division of Water Rights filed a Notice of Exemption under Section 15306 of the State EIR Guidelines, Title 14 of the California Code of Regulations.

ORDER

IT IS HEREBY ORDERED THAT:

The issuance of the May 9, 1989, Conditional Temporary Urgency Change Order, by Board Vice Chairwoman Darlene E. Ruiz, allowing an additional point of diversion and rediversion under the permits listed in Table 1, is hereby validated, subject to the terms and conditions specified in the Order and subject to the additional condition that the quantity of water diverted under the change order not exceed the actual CVP Tracy pumping quantity forgone for the fish studies during May 1989.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of an order duly and regularly adopted at a meeting of the State Water Resources Control Board held on June 7, 1989.
