

**Photographs to Accompany Petition for Change
Statement of Water Diversion & Use 15372 of PacifiCorp
Fall Creek, Siskiyou County**

View of Fall Creek at point of diversion looking upstream. Diversion dam at left, conveyance canal and control gate at right. Photo also shows another control gate, located immediately left of the canal control gate, that is used to bypass Creek flows around the diversion dam (photo date December 2013).

View of Fall Creek looking upstream from diversion dam (left dam abutment visible at left). Bypass control gate is at right (photo date December 2013).

View of Fall Creek looking downstream from just below diversion dam (photo date January 2014).
