

Guide to Map

As depicted on the enclosed map, Diversion Point #1 is the existing point of diversion for Permit No. 7847. Diversion Point # 3 is the proposed new point of diversion for Permit 7847, and is also the current existing point of diversion for Permit 11039, also held by the City. The map also shows the boundary of the City's service area, which is the place of use for Permit 7847.
