RE: Sonoma County Water Agency's New Petitions to Change Water Right Permits 12947A, 12949, 12950 and 16596 (Applications 12919A, 15736, 15737 and 19351)

Dear Mr. Grober:

On August 14, the Sonoma County Water Agency (Water Agency) filed new petitions to change the above water-right permits. Enclosed with each of those petitions were proposed changes to the permit to which the petition applied.

After that filing, Water Agency staff determined that these proposed changes needed to be edited to address some formatting issues and technical details. The attached file contains the proposed changes that the Water Agency now is requesting that the State Water Board make to these permits. Please substitute the proposed changes in this file for the corresponding proposed changes in these petitions.

Sincerely,

A handwritten signature in cursive script that reads "Grant Davis".
