

5/6/09 Board Workshop  
SCWA - TUC Petition  
Deadline: 4/30/09 by 12 noon

**Subject:** water flow

To Whom It May Concern:

I am a property owner in Guerneville and am very concerned about the proposed cut in water flow in the lower Russian River. Guerneville is dependent on tourism for it's very existence and I believe that this kind of cutback would have a negative impact on recreation in this area, and discourage visitors who otherwise would come here for boating and swimming. Please do not exacerbate this fragile Russian River economy.
