CALIFORNIA WATERFIX HEARING –PETITIONERS' WITHDRAWAL OF WATER RIGHT CHANGE PETITION

On [May 2, 2019](#), the Department of Water Resources (DWR) and the U.S. Bureau of Reclamation (collectively petitioners) withdrew their joint water right change petition (petition) for the California WaterFix Project (WaterFix).

Petitioners' withdrawal of the WaterFix petition ends the WaterFix water right hearing as there is no petition before the State Water Board for consideration. Staff is in the process of transitioning the WaterFix [Water Right Petition webpage](#) to an [Archived Projects webpage](#), as we do with other water right hearings. The Archived Projects webpage is accessible through the Water Rights [Hearings Program home webpage](#).

I would like to take this opportunity to thank the parties for the considerable time and effort you have invested in the WaterFix hearing over the last few years. I sincerely appreciate your cooperation in ensuring that the hearing was carried out in accordance with the principles of efficiency, transparency, and integrity.

If you have any questions about this letter, please contact hearing team staff by email at CWFhearing@waterboards.ca.gov or by phone at (916) 319-0960. Please note that after May 31, 2019, staff will no longer be monitoring or responding to messages on the CWFhearing inbox or phone line. After May 31, 2019, please direct any inquiries to Division of Water Rights staff at 916-341-5300.
