Re: California WaterFix Petition: Withdrawal of Protest and Supporting Materials

Dear Chair Marcus and Member Doduc:

This letter is submitted on behalf of the Friant North Authority and its participating members (collectively, "Friant North Authority" or "Authority" unless otherwise noted).

The Petitioners notified the State Water Resources Control Board on October 13, 2016 that they and Friant North Authority entered into a settlement in this matter. Pursuant to that settlement, the Authority seeks leave to withdraw any protest and any materials submitted in connection with any protest.

Pursuant to the settlement, Friant North Authority advises that the full and complete implementation of the settlement will address the concerns expressed by the Authority, regarding the Board's approval of the Petition on the water supply of Friant North Authority's members.

Please let us know if you need additional information.

Very truly yours,

David Orth
Executive Officer
