I received it a few days ago. Whom so it reply to?

I would like to respectfully request a hearing regarding the penalty and failure to complete filing of the water report.

You can request a hearing by filing a written reply (email will suffice) provided you are within the 20 day time period of receiving the ACL. When did you receive the ACL?

Ms. Klaus,
If you received an Administrative Civil Liability (ACL) complaint, please either accept the settlement offer (\$250) or request a hearing within 20 days of receiving the ACL to avoid the much higher \$10,000 liability. I see that you filed your 2015 report on January 7, 2017.

Subject: letter of non compliance

Dear Ms. Kathy Mrowka,
I recently received a letter requesting a hearing regarding the fact that I had not filled out the water report on line. I did not know that I had not filled out my reports as I do not have consistent internet service at home. Yesterday I spoke with Patrick Bates and he helped me fill out the reports. I only hope I did it correctly and I was very nervous about doing it incorrectly. Please let me know what the next step is regarding the hearing. My husband and I both work long hours and must have missed the report accidentally. Please forgive us.
Thank you very much,
