This email is being sent as an update on the Cachuma Project (Project). Due to the need to recirculate the 2007 Revised Draft Environmental Impact Report (EIR), and respond to comments on the 2nd Revised Draft EIR, Project funding was depleted. Therefore, the Cachuma Conservation Release Board and Santa Ynez River Water Conservation District ID 1 have contributed \$45,000 to complete the Final EIR. The State Water Resources Control Board hopes to release the Final EIR by the end of November 2011, and hold a hearing by the end of February 2012.

Finally, please note the email address for Christopher Campbell has been updated on the attached Service List.

Please let me know if you have any questions regarding this email.
