Gray Davis
Governor

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website at www.swrcb.ca.gov.

To: Enclosed General Mailing List and
Cachuma Hearing Service List

CACHUMA PROJECT HEARING – APPLICATIONS 11331 AND 11332

A number of interested persons, including the U.S. Forest Service, have inquired whether the State Water Resources Control Board (SWRCB) will accept policy statements for Phase 2 of the Cachuma Project Hearing, which is scheduled to begin on October 21, 2003. A policy statement is a non-evidentiary statement. The SWRCB heard policy statements at the beginning of Phase 1 of the hearing in November, 2000. In view of the length of time that has passed since Phase 1 was held, however, the SWRCB will accept written policy statements concerning Phase 2.

Written policy statements may be submitted electronically or by regular mail and should be addressed to:

Division of Water Rights
State Water Resources Control Board
Attn. Andrew Fecko

Email: Chearing@waterrights.swrcb.ca.gov

With Subject of "Cachuma Project Hearing – Applications 11331 and 11332"

The SWRCB will post policy statements on its website at:
www.waterrights.ca.gov/hearings/cachumahearing.htm.

If you have any questions about this letter, please contact Andrew Fecko, Environmental Scientist, at (916) 341-5393 or Dana Differding, Staff Counsel, at (916) 341-5188.

Sincerely,

Peter S. Silva
Hearing Officer
