**Subject:** CANCELLATION OF PRE-HEARING CONFERENCE

I have been directed by the hearing officer, Art Baggett, to **CANCEL** the pre-hearing conference that was scheduled for tomorrow, August 21, 2007, in Sacramento. A proposed settlement agreement was submitted this morning and the Chief of the Division of Water Rights is unable to review it prior to the pre-hearing conference. If the proposed settlement is not approved by the Division Chief, the pre-hearing conference will be rescheduled. The hearing scheduled for September 24-25 **HAS NOT BEEN CANCELLED**. If you have any questions please call me at (916) 341-5192 or email me at bkatz@waterboards.ca.gov. Thank you.
