Subject: Pre-hearing submittals for the Carmel River Hearing

The Hearing Officer, Art Baggett, has directed me to inform you that the August 31st deadline for submitting written testimony and exhibits has been cancelled. If a hearing is still needed, the Hearing Officer will determine an appropriate deadline for all pre-hearing submittals. If you have any questions, please call me at (916) 341-5192 or email me at bkatz@waterboards.ca.gov.
