State Water Resources Central Board ; PO Box 100 ;Sacramento, CA ,

Dear CA Water Board,

I am in favor of having water in the Kern River, through Bakersfield, CA. Besides the obvious beauty, the wildlife and tree would I am sure like to live. The river is life to not only the flora and fona, but to the people. We get over 100oC heat in the Summer, I need not say more. Please let the river flow.

Thanks, Heather Ponek
