SERVICE LIST OF PARTICIPANTS TO EXCHANGE INFORMATION: WATER RIGHT HEARING REGARDING PETITIONS TO REVISE THE DECLARATION OF FULLY APPROPRIATED STREAM SYSTEM OF THE KERN RIVER - SCHEDULED TO COMMENCE ON OCTOBER 26, 2009

In accordance with the State Water Resources Control Board's (State Water Board) Notice of Public Hearing (Notice), dated August 24, 2009, regarding the subject hearing, enclosed is a Service List of Participants who have submitted a Notice of Intent to Appear (NOI) and who have indicated intent to participate in the hearing. Copies of the NOIs are attached.

As a reminder, the hearing officer will conduct a pre-hearing conference to discuss the scope of the hearing and any other procedural issues on **Thursday, September 24, 2009**. Participants who are only planning to present a policy statement and will not be participating in the evidentiary portion of the hearing are not required to attend the pre-hearing conference. **All other participants are required to attend.** Note: Participants may attend by teleconference to avoid traveling to Sacramento for a relatively short meeting. If you intend to participate by teleconference, please contact Paul Murphey at (916) 341-5435 to obtain the phone number and access code. The goal of the pre-hearing conference is to ensure that the hearing proceeds in an orderly and expeditious manner. The pre-hearing conference will not be used to hear arguments on, or determine the merits of any hearing issues, other than procedural matters, unless the parties agree to resolve a hearing issue by stipulation. Following the pre-hearing conference, the State Water Board may, at its discretion, modify the hearing procedures or issues set forth in the August 24th notice in whole or in part. Failure to attend the pre-hearing conference may result in exclusion from participation in the hearing.

As instructed in Section 4 of the August 24th Notice's attachment entitled, "Information Concerning Appearance at Water Right Hearings," each participant shall submit to the State Water Board either: seven paper copies of each of its exhibits or five paper copies and one electronic copy of each of its exhibits no later than **12 Noon, Tuesday, October 13, 2009**. Please see Section 5 of the Notice's attachment for details regarding electronic submissions. With exhibits, each participant must submit to the State Water Board and serve on the other participants a completed "Exhibit Identification Index". Please submit the "Exhibit Identification Index" to the State Water Board in either Microsoft Word or Excel format. **All of the required copies must be received by the 12 Noon, October 13, 2009 deadline.** Each participant shall also serve a copy of each exhibit on every participant on the service list. Participants may serve those participants who agree to electronic service with an electronic copy of exhibits. For this hearing, all participants have agreed to accept electronic service of hearing-related materials.
