Ayukii (hello) Hearing Team:

I am writing on behalf of the Karuk Tribe to also request the October 2, 2017 exhibit deadline be extended for one week. The Tribe is still in the process of preparing its witness statements and will have difficulty meeting the October 2, 2017 deadline because one of our witnesses has been involved in tribal ceremonies in August-early September and our other witnesses were on travel this week. We believe that a short extension, even by one or two days is reasonable, and would not hurt the interest of any party.

Thank you for consideration of our request.

Yootva (thank you)
