

PERMIT TERM E1

Title: Stony Creek Watershed – Above Black Butte Reservoir

When Used: Permits for storage in the Stony Creek watershed above Black Butte Reservoir that are within Tehama or Glenn Counties. (Diverters within Colusa County have county of origin protection).

Term:

During any water year in which Black Butte Reservoir does not collect its authorized diversion because of inadequate inflow, and if, in the absence of permittee's diversion, hydraulic continuity would exist between permittee's diversion point and Black Butte Reservoir, permittee shall release water collected to storage during the current diversion season to flow downstream to satisfy such prior right. Nothing in this term shall require release of water legally collected to storage during previous diversion seasons.

(000000E1)

Note: Standard permit terms 43, 47, and 92 should also be included in the permit.
