The Resolutions are in full force and effect and have not been amended, modified, supplemented, or rescinded, nor has the rate-setting resolution been challenged or the rates become subject of a referendum or initiative or other similar process.
- c. To the best of my knowledge and based upon a reasonable investigation, all proceedings required by law or under the ordinances or bylaws of the [City/County/District] to be taken by the [City/County/District] in connection with the authorization of the Agreement and the transactions contemplated by and related thereto, and all such approvals, authorizations, consents or other orders of or filings or registrations with such public boards or bodies, if any, as may be legally required to be obtained by the [City/County/District] prior to the date hereof with respect to all or any of such matters have been taken or obtained and are in full force and effect, except that no opinion is expressed as to any approvals, obligations or proceedings which may be required under any federal securities laws or state blue sky or securities laws.
- d.
