**Subject: Comment Letter—Revolon Slough/Beardsley Wash Trash TMDL Revisions**

Dear Ms. Townsend:

The County of Ventura, Ventura County Watershed Protection District, City of Camarillo, City of Oxnard, Ventura County Agricultural Irrigated Lands Group, and the California Department of Transportation (Caltrans), as Responsible Parties to the Revolon Slough and Beardsley Wash Trash TMDL (Trash TMDL), are submitting this letter to express our support for the proposed approval of an Amendment to the Water Quality Control Plan for the Los Angeles Region to Incorporate Revisions to The Revolon Slough and Beardsley Wash Trash TMDL. As intended by the State Water Resources Control Board, we appreciate the alignment between the Trash TMDL and the Water Control Plan for Inland Surface Waters, Enclosed Bays, and Estuaries of California (ISWEBE Plan) and the Water Quality Control Plan for Ocean Waters of California (Ocean Plan), together the “Statewide Trash Amendments”.

If you have any comments or questions, please contact Ewelina Mutkowska at 805-645-1382 or [ewelina.mutkowska@ventura.org](mailto:ewelina.mutkowska@ventura.org).

Sincerely,

Lucia McGovern  
Chair, Stakeholders Implementing TMDLs in the Calleguas Creek Watershed
