Re: *SWRCB/OCC File No. A-2455(l) —Request for Abeyance of Petition of San Francisco Baykeeper for Review of San Francisco Bay Regional Water Quality Control Board Action Adopting Order No. R2-2015-0049*

Dear Mr. Mallory-Jones:

On behalf of San Francisco Baykeeper (“Baykeeper”), I am writing to request abeyance of Baykeeper’s Petition for Review of San Francisco Bay Regional Water Quality Control Board Action Adopting Order No. R2-2015-0049, filed December 18, 2015 (“SWRCB/OCC File No. A-2455(l)” or “Petition”). On March 15, 2016, the State Water Resources Control Board (“State Board”) issued a Notice that Baykeeper’s Petition was complete and the State Board would begin review. State Board Regulations generally require final disposition within 270 days of the date a petition is deemed complete (December 10, 2016 in this case). (23 Cal. Code Reg. § 2050.5(e).)

On November 4, 2016, the State Board issued a Notice that its review of the Petition will not be completed until after the 270-day period has passed. As a result, the State Board proposes to adopt an order to review the matter on its own motion under 23 Cal. Code Reg. Section 2050.5(c).

Baykeeper hereby requests that the State Board place SWRCB/OCC File No. A-2455(l) into abeyance, pursuant to 23 Cal. Code Reg. Section 2050.5(d), effective as of the date of this letter. Baykeeper’s request is for an indefinite period, but Baykeeper reserves the right to remove SQRCEB/OCC File No. A-2455(l) from abeyance at its discretion.

If you have any questions, please contact me at erica@baykeeper.org or (510) 735-9700 x106. Thank you for your attention to this matter.

Sincerely,

Erica A. Maharg
Managing Attorney
