PURPOSE OF HEARING

The purpose of this hearing is for a hearing officer in the State Water Resources Control Board (“State Water Board” or “Board”), Administrative Hearings Office (“AHO”): (1) to receive evidence and arguments relevant to the issue of whether the Respondent violated the State Water Board’s regulation, title 23 California Code of Regulations, section 925 or 929, or any term or condition of any water-right permit or license requiring the filing of an annual Progress Report by Permittee or Report of Licensee (collectively, “Annual Water Diversion and Use Report”); and (2) to receive evidence and arguments regarding the appropriate amount of any administrative civil liability. (The AHO hearing officer will consider evidence under (2) if he or she determines that a violation occurred.) Specific allegations related to the alleged violation are set forth in the July 1, 2019 administrative civil liability complaint (“ACL Complaint”) in this matter.

BACKGROUND

California Code of Regulations, title 23, sections 925 and 929 require permittees and licensees, respectively, to submit Annual Water Diversion and Use Reports for each

E. JOAQUIN ESQUIVEL, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR

year's diversions and use no later than April 1 of the following year (see Wat. Code, §§ 1840-1841). These reports must be filed electronically using the Report Management System, which is a component of the State Water Board's Electronic Water Right Information Management System ("eWRIMS").

Water Code, section 1846 authorizes the State Water Board to impose administrative civil liability, pursuant to Water Code section 1055, on any person or entity that violates a regulation or order adopted by the Board or a term or condition of a water-right permit or license. Under these statutes, the Board may impose such administrative civil liability in an amount not to exceed \$500 per day for each day in which the violation occurs.

On July 1, 2019, the State Water Board, Division of Water Rights ("Division"), issued an ACL Complaint under Water Code section 1055, alleging that Respondent failed to file an Annual Water Diversion and Use Report for 2018 diversions and use by the April 1, 2019 deadline. The ACL Complaint alleges that the Respondent violated California Code of Regulations, title 23, section 925 or 929 and recommends the imposition of administrative civil liability in the amount of \$2,000. The ACL Complaint states that the maximum potential liability for the alleged violations is \$45,000.

Information on the eWRIMS website indicates that, on July 10, 2019, Respondent submitted an annual report for diversions and use during 2018 under the water-right permit or license involved in this matter.

In a letter dated July 23, 2019, which was received by the State Water Board on July 25, 2019, Respondent requested a hearing in this matter. Water Code section 1112, subdivision (a)(1), provides that an AHO hearing officer shall preside over hearings of ACL Complaints issued under Water Code section 1055. The AHO hearing officer's proposed order in this matter will be issued under Water Code section 1114, subdivision (c).

ADMINISTRATIVE RECORD AND HEARING ISSUES

The AHO hearing officer's proposed order in this matter will be based upon evidence and arguments in the administrative record. The following documents currently are in the AHO administrative record for this matter: (1) July 1, 2019 ACL; (2) Respondent's July 10, 2019 report on the eWRIMS website for 2018 water diversions and use; and (3) Respondent's July 23, 2019 request for hearing. The parties may submit additional evidence and make arguments based on the evidence during the hearing concerning the following issues:

- 1) Did the Respondent file an Annual Water Use Report for 2018 diversions and use? If so, what was the filing deadline for the report and when did Respondent submit the report?
- 2) Did any violation of a State Water Board regulation or order or a term or condition of a water-right permit or license occur?

- 3) If a violation of any State Water Board regulation or order or a term or condition of any permit or license occurred, should the AHO hearing officer impose administrative civil liability?
- 4) If the AHO hearing officer decides to impose administrative civil liability in this matter, what is the appropriate amount for such administrative civil liability? (Water Code section 1055.3 provides that, in determining the amount of civil liability, the Board shall take into consideration all relevant circumstances, including, but not limited to: (a) the extent of harm caused by the alleged violation; (b) the nature and persistence of the alleged violation; (c) the length of time over which the alleged violation occurred; and (d) the corrective actions, if any, taken by the violator.)

HEARING OFFICER AND HEARING TEAM

An AHO hearing officer will be the hearing officer for this proceeding and will prepare a written proposed order within 90 days after the matter is submitted for decision. Other AHO staff may be present and assist the hearing officer during the hearing and throughout this proceeding.

PROSECUTION TEAM

A State Water Board staff Prosecution Team may decide to file a Notice of Intent ("NOI") and become a Party to this hearing. If so, the Prosecution Team will be comprised of attorneys from the State Water Board's Office of Enforcement and staff from the State Water Board's Division of Water Rights Enforcement Section.

SEPARATION OF FUNCTIONS; PROHIBITION ON *EX PARTE* COMMUNICATIONS

The Prosecution Team is separated from the AHO hearing team. Like all other Parties, the Prosecution Team is prohibited from having any *ex parte* communications with any members of the AHO hearing team. (See Wat. Code, § 1110, subd. (c); Gov. Code, §§ 11430.10-11430.80.) For a discussion of *ex parte* communications regarding State Water Board members, see "Ex Parte Questions and Answers," available on the State Water Board's website at:

http://www.waterboards.ca.gov/laws_regulations/docs/exparte.pdf. These rules regarding *ex parte* communications apply to all members of the AHO hearing team.

If any Party wishes to communicate with the AHO at any time regarding any procedural or substantive issue regarding this proceeding, including any issue regarding hearing procedures or filing of documents, then that Party shall make such communication to the AHO in writing (by e-mail or letter) and serve all other Parties with copies of the communication and include a proof of service demonstrating such service with the written communication to the AHO. A Party may provide this proof of service through a formal proof of service or by other verification, such as a list of the Parties and the

addresses of them or their representatives in an electronic-mail “cc” (carbon copy) list or the cc portion of a letter.

Before the AHO circulates the list of Parties described below, any Party submitting any document besides a Notice of Intent (“NOI”) or address change to the AHO for this proceeding shall transmit copies of the document to all of the other Parties listed in the attached proof of service by first-class mail (certified mail is not required). Because of the present difficulties in mailing paper copies, Parties are not required to serve copies of their NOIs or notices of address changes on other Parties when they file these documents with the AHO.

After the AHO circulates the list of Parties that have filed NOIs, any Party submitting any document to the AHO shall transmit copies of the document to all of the other Parties on the NOI list. Whenever any Party files any document with the AHO for this proceeding, the Party shall include a proof of service using one of the methods described above that confirms that the Party has transmitted copies of the document to all other Parties and that describes the method of service.

Please do not attempt to communicate by telephone or in person with any AHO hearing officer or staff member regarding this hearing, because other Parties would not be able to participate in such communications. If oral communications with any members of the AHO hearing team are necessary, then the AHO will set up a conference call in which representatives of all Parties may participate. Any Party may request such a conference call using the written communications protocols described above.

HEARING PARTICIPATION PROCEDURES

Respondent has requested a hearing, and this hearing is scheduled for the date and time listed on the first page of this notice.¹ If necessary because of the Coronavirus (COVID-19) crisis, the AHO may re-schedule this hearing to a later date or conduct this hearing just through electronic communications. If the AHO decides to take either of these actions, then the AHO will notify all Parties that have filed Notices of Intent to Appear (“NOIs”) (discussed below), will circulate a notice of the new hearing date or electronic method of conducting the hearing to all people who have subscribed to the AHO’s LYRIS e-mail notice list, and will post the notice on the AHO’s webpage, which can be accessed at

https://www.waterboards.ca.gov/water_issues/programs/administrative_hearings_office/

Any Person or Entity that wants to participate in this hearing as a Party or to present a Policy Statement must file a Notice of Intent to Appear (“NOI”), using the form enclosed with this notice, with the AHO before the deadline listed below. The AHO encourages

¹ The State Water Board may also hold hearings on other matters for the same date and time. All Parties to this proceeding must be present at the date and time listed on the first page of this notice. The Parties may need to wait until other matters are concluded before the hearing in this matter will begin.

Parties to agree to accept electronic service (by e-mail) of all documents regarding this hearing. If a Party is not willing to do this, then the Party may check the appropriate box on the NOI form. If this box is not checked, then the AHO will assume that the Party agrees to accept electronic service.

If the AHO does not receive an NOI from the Prosecution Team indicating the Prosecution Team's intent to participate in the hearing as a Party before the deadline specified below, then the AHO may dismiss the ACL Complaint without further notice or opportunity for hearing. The Prosecution Team must file an NOI to preserve the Prosecution Team's right to seek an ACL in this matter.

If the AHO does not receive an NOI from Respondent indicating Respondent's intent to participate in the hearing as a Party before the deadline specified below, then the AHO may deem Respondent's request for a hearing regarding the administrative civil liability complaint to be withdrawn and the AHO may issue an order imposing administrative civil liability without further notice or opportunity for hearing. Respondent must file an NOI to preserve Respondent's right to a hearing.

Within one week after the deadline to submit NOIs, the AHO will circulate a list of the Parties that have filed NOIs to all parties and will post that list on the AHO's Internet webpage. This webpage may be accessed at:
https://www.waterboards.ca.gov/water_issues/programs/administrative_hearings_office/

There is no requirement for any Party to submit any proposed testimony or exhibits before the hearing. Any Party that wants to submit proposed testimony or exhibits before the deadline listed below may do so by following the procedures described below and must, at the same time, serve copies of the proposed testimony or exhibits on all other Parties. Any Party submitting proposed testimony before the hearing still must produce the actual witness or witnesses to provide live testimony, and be available for cross-examination, during the hearing.

Any Party that wants to submit any new exhibits during the hearing shall provide three paper copies and one electronic file in pdf format of each new exhibit to the AHO hearing officer and one paper copy to each of the other Parties at the hearing.

SETTLEMENT

In this proceeding, the Prosecution Team is prosecuting Respondent for an alleged violation. The Prosecution Team and Respondent may engage in private settlement discussions and may, or may not, include other persons in those discussions. Because of the separation of functions discussed above, no AHO hearing officer or member of the AHO staff will participate in such settlement discussions or receive any evidence of what occurred during them. If the Prosecution Team and Respondent enter in a written settlement agreement signed by representatives of both Parties, then they should notify the AHO of this agreement, using the procedures for submitting documents described above, as soon as possible. If the AHO has not received notice of a written settlement agreement before the hearing date listed above, then the hearing will proceed as scheduled unless the hearing officer issues an order changing the schedule. If the Parties want to settle this matter, then they should do so, and advise the AHO of the settlement, before the hearing date.
