DIVISION OF WATER RIGHTS

ORDER WR 2020-0103-EXEC

In the Matter of Administrative Civil Liability for Failure to File Annual Water Division and
Use Report(s) upon

County of Sacramento, Director of Economic Development

ORDER APPROVING SETTLEMENT AGREEMENT

BY THE EXECUTIVE DIRECTOR¹

1.0 INTRODUCTION

This matter comes before the Executive Director of the State Water Resources Control Board (State Water Board or Board) following the issuance of an Administrative Civil Liability (ACL) Complaint to the County of Sacramento (Respondent). In accordance with the attached Settlement Agreement, the State Water Board Division of Water Rights' Prosecution Team (Division Prosecution Team) and the Respondent have agreed to settle this matter in lieu of proceeding to a hearing. The issuance of a decision or order pursuant to a settlement agreement is authorized under Government Code section 11415.60.

2.0 BACKGROUND

The Respondent holds water right license 11844 (Application A025985).

The Respondent must, pursuant to regulations enacted by the State Water Board, submit a report online through the Board's website documenting the Respondent's water diversion and use (Annual Report) under License by April 1 of each following calendar year. (Cal. Code Regs., tit. 23, §§ 847 & 929). The Respondent was required to file the Annual Report for the 2018 water year by April 1, 2019.

On June 12, 2019, the Division mailed the Respondent a final Notice of Deficiency, putting the Respondent on notice of imminent enforcement if the Annual Report was not submitted.

¹State Water Board Resolution No. 2012-0061 delegates to the Executive Director the authority to issue a decision or order by settlement of the parties under Government Code section 11415.60.

On July 1, 2019, the Assistant Deputy Director for the Division of Water Rights acting under delegated authority issued an ACL Complaint to the Respondent for failing to file the required Annual Water Use Report.

The ACL Complaint recommended an Administrative Civil Liability in the amount of \$2,000 per violation. The ACL Complaint included a cover letter explaining the violation and an offer to settle the violation for \$500 per violation if the Respondent submitted the Annual Report(s), signed and submitted a waiver of the right to a hearing on the matter, and submitted the settlement payment amount all within 20 days of receiving the ACL Complaint.

The recommended penalty of \$2,000 for each violation is based on the relevant circumstances alleged in the ACL Complaint, including the failure of the Respondent to submit the Annual Report despite repeated notifications, the harm to the Division's effectiveness in regulating water diversions caused by that failure, the staff costs associated with pursuing compliance, and the overall need to preserve the integrity of the regulatory program.

The Respondent filed the Annual Water Use Report on July 9, 2019.

The Respondent timely requested a hearing before the State Water Board to contest the allegations within the ACL Complaint.

On April 9, 2020 the State Water Board, Administrative Hearings Office issued a Notice of Public Hearing, scheduling a hearing on the allegations in the ACL Complaint to be held on June 19, 2020.

The Respondent and the Division Prosecution Team have engaged in settlement negotiations and agreed to settle all matters identified in the ACL Complaint issued to the Respondent on July 1, 2019, via settlement agreement in lieu of a hearing.

3.0 SETTLEMENT AGREEMENT

County of Sacramento and the Division Prosecution Team executed the settlement agreement, dated June 17, 2020 and attached hereto (Settlement Agreement). The general terms of the settlement are that Respondent:

- (1) Waives the right to a hearing on the ACL Complaint, waives the right to petition for reconsideration of this Order, and agrees to the other terms and conditions described in the Settlement Agreement and incorporated herein;
- (2) Is subject to administrative civil liability in the amount of \$2,000 payable within 20 days after the execution date of this Order, to be deposited into the Water Rights Fund pursuant to Water Code section 1050, et seq.; and

- (3) Work with the Prosecution Team to submit a joint request to the Administrative Hearings Officer to cancel the Sacramento County ACL hearing due to this settlement after the Parties execute the Settlement Agreement.

After execution of the Settlement Agreement, the parties jointly requested cancellation of the Sacramento County ACL hearing and the Division received a payment of \$2,000 for the administrative civil liability from the County of Sacramento on July 1, 2020.

ORDER

IT IS HEREBY ORDERED THAT the attached Settlement Agreement between the Division Prosecution Team and the Respondent is approved.
