Subject: Comment Letter – Prohibiting Wasteful Water Use Practices

Dear Ms. Jeanine Townsend:

City of Davis staff has reviewed the revised draft regulation for the permanent prohibitions on wasteful water use practices. The concerns that we had submitted in our previous comment letter on December 20, 2017 have been addressed in the revised regulation. We would like to thank the SWRCB for reviewing and addressing these concerns. In addition, we would like to thank Charlotte Ely with the SWRCB for her quick responses to additional questions we had posed.

Sincerely,

Stan Gryczko
Assistant Public Works Director
