

Hi Jessica,

I am a board member for a small water provider. I have reviewed your proposed regulations.

I would ask why the small providers have a different reporting for compliance period than the Urban suppliers. Your Proposed regulation uses June-Nov 2013 compared to 2015 for the small providers and June through February 2013/14 compared to 2015/16.

Thank you for your assistance

Leigh Ann Cullen
Board Member, Talmont Resort Improvement District
