

Mean Temperature during Development Period
90% Exceedance

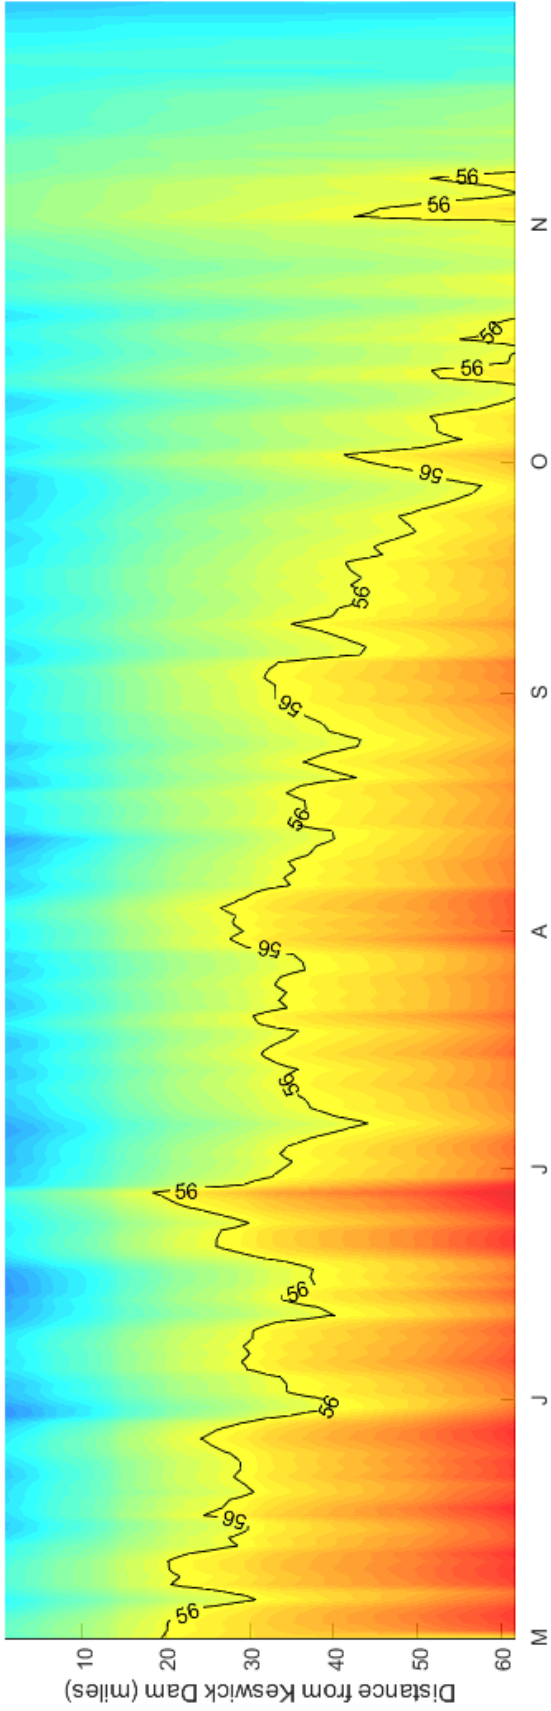

Mean Temperature during Development Period
50% Exceedance

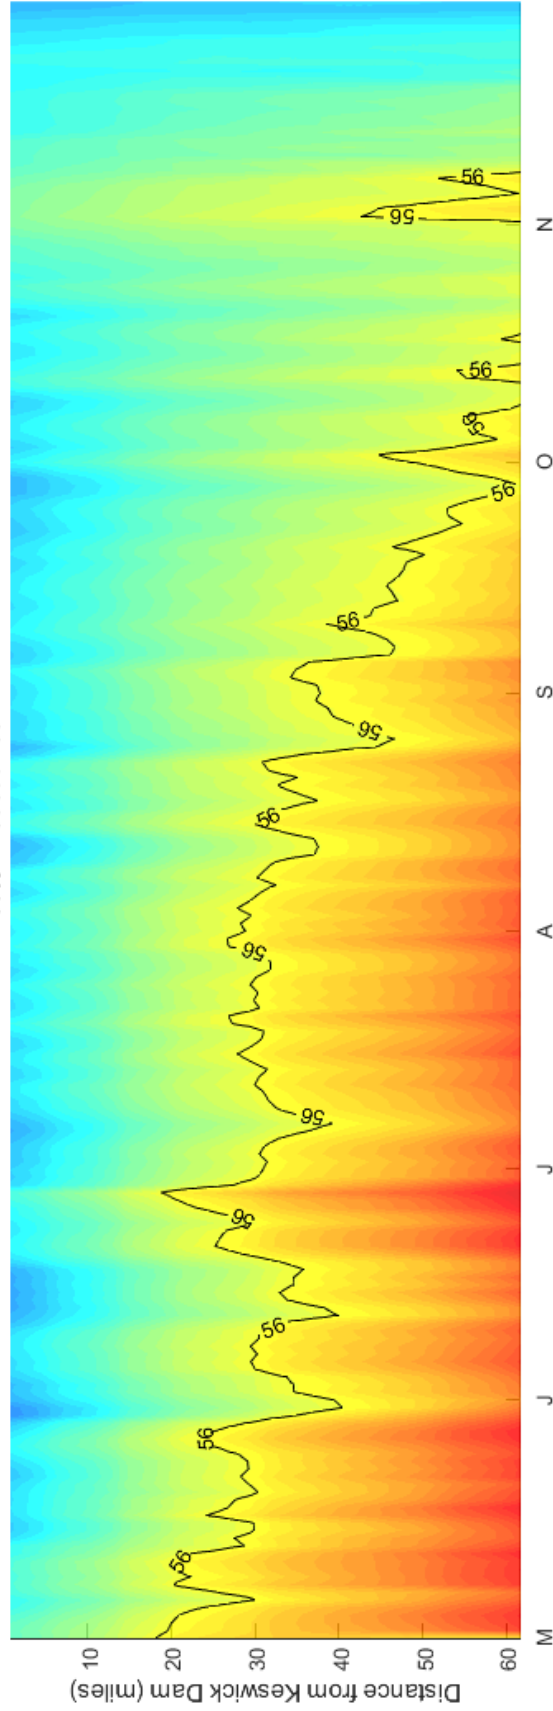

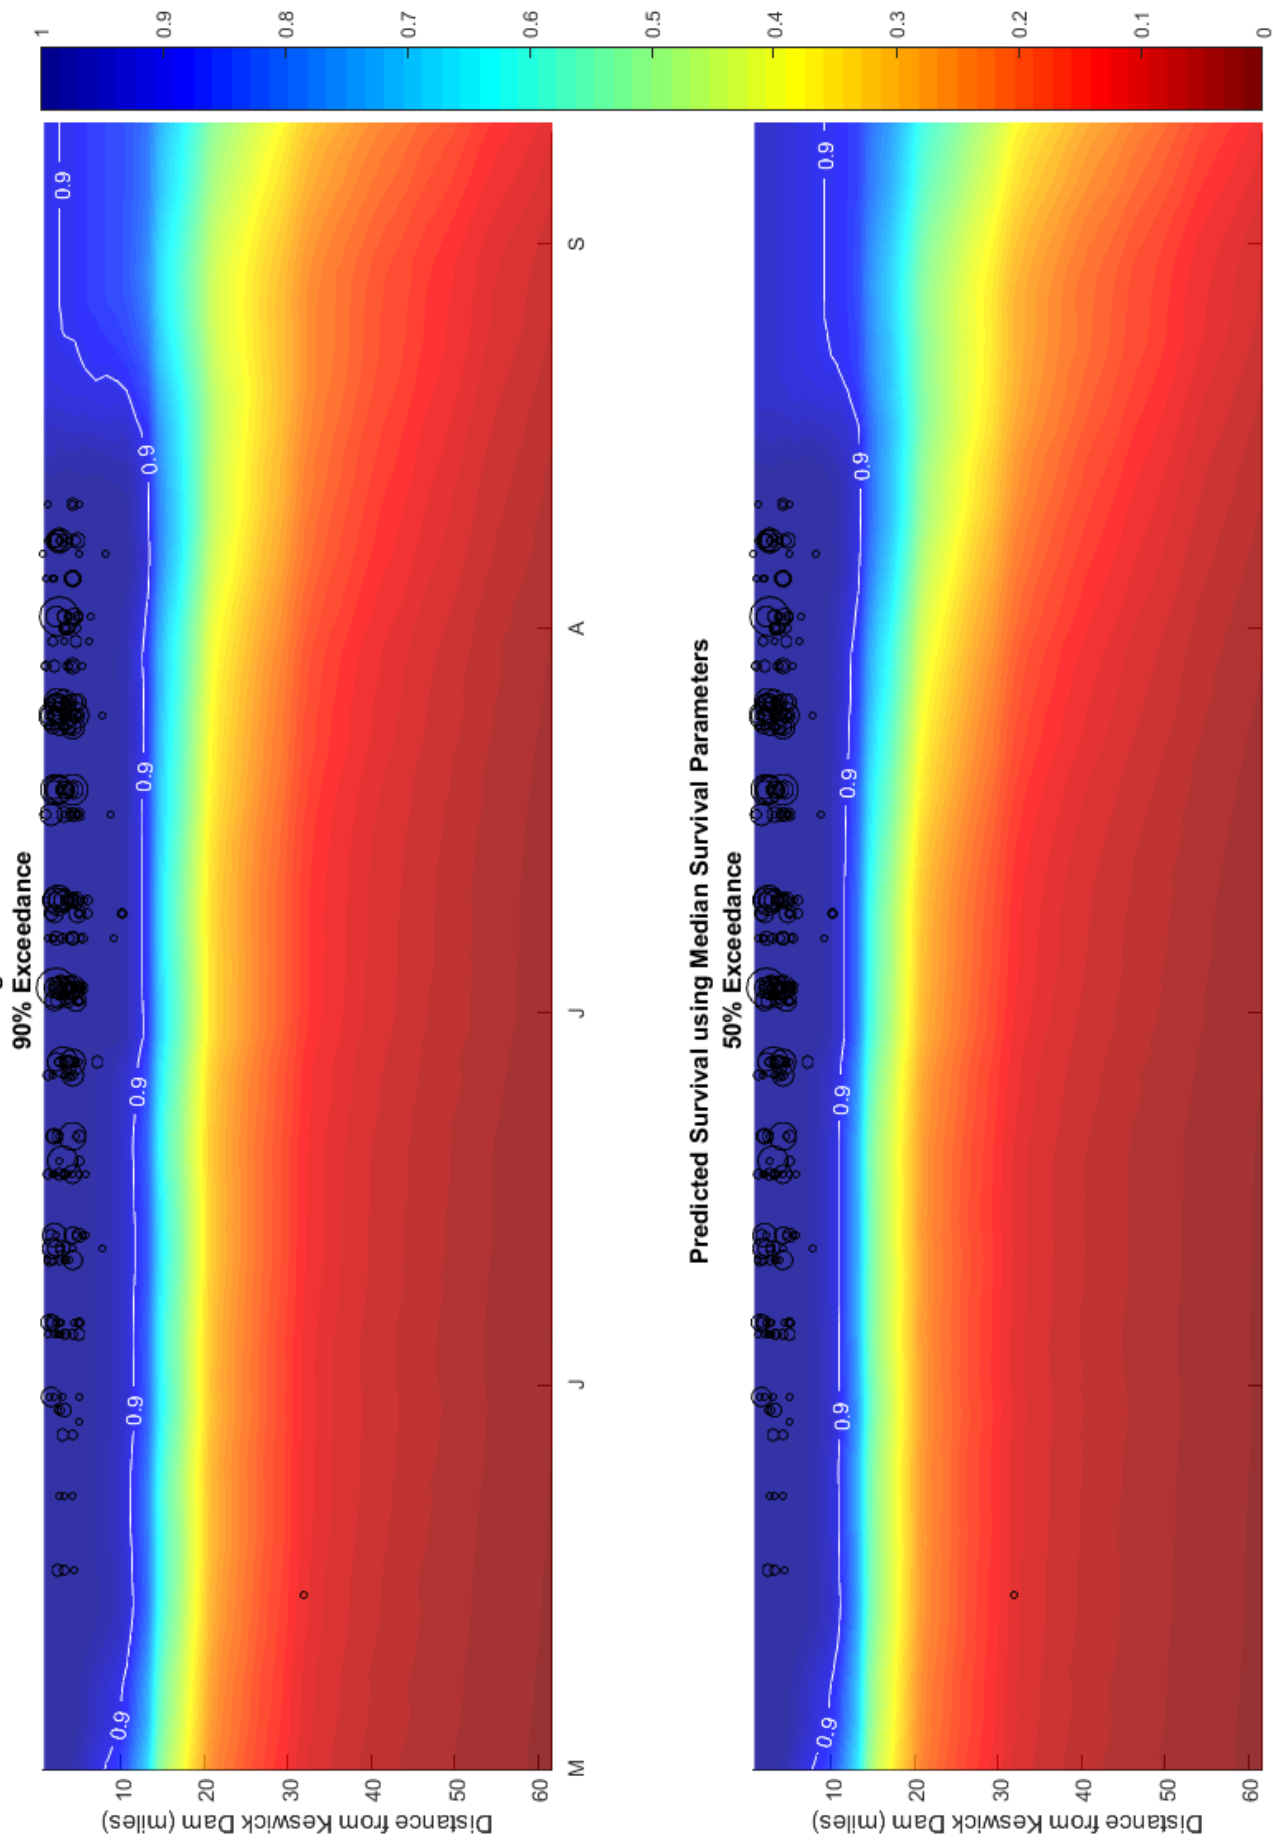

Daily Mean Temperature
90% Exceedance

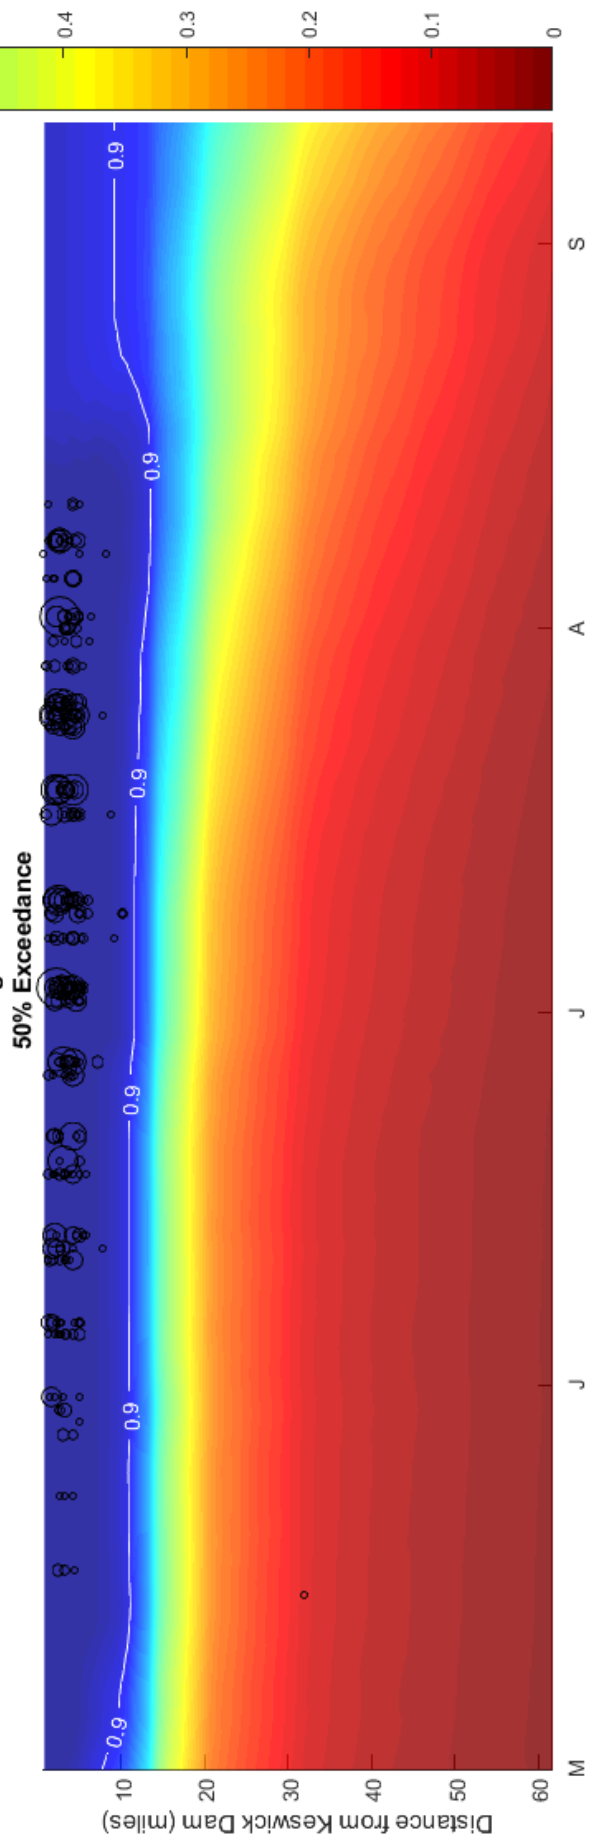

Daily Mean Temperature
50% Exceedance

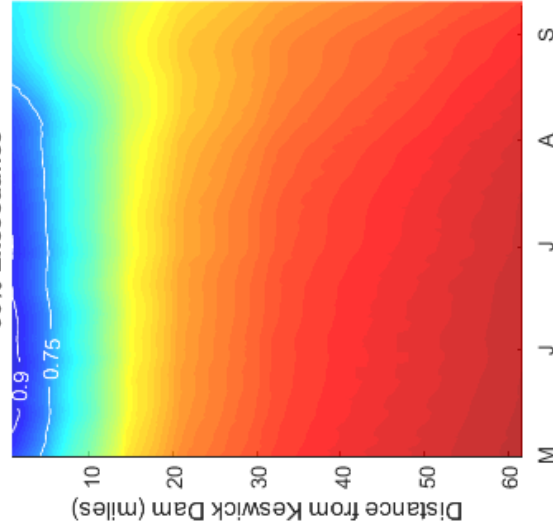

Predicted Survival using Median Survival Parameters

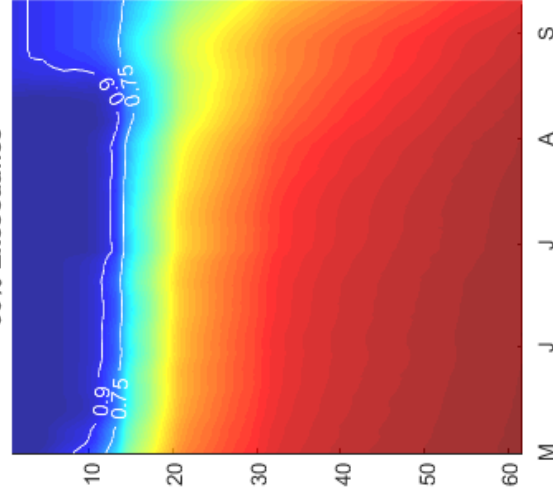

Predicted Survival using Median Survival Parameters

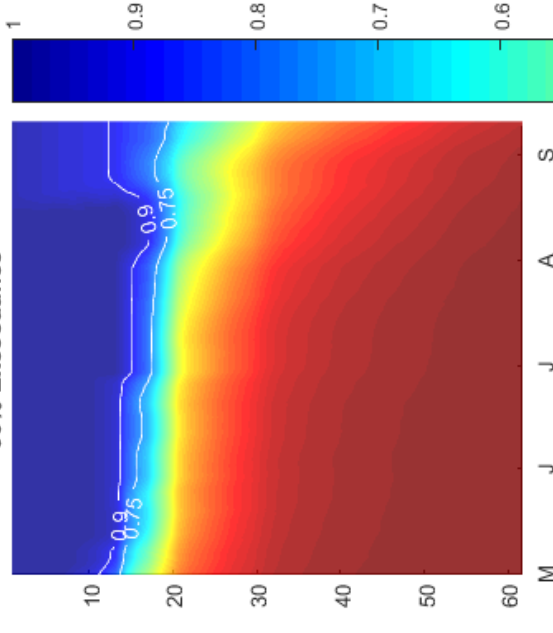

Survival using 10% CI of Survival Parameters,
90% Exceedance

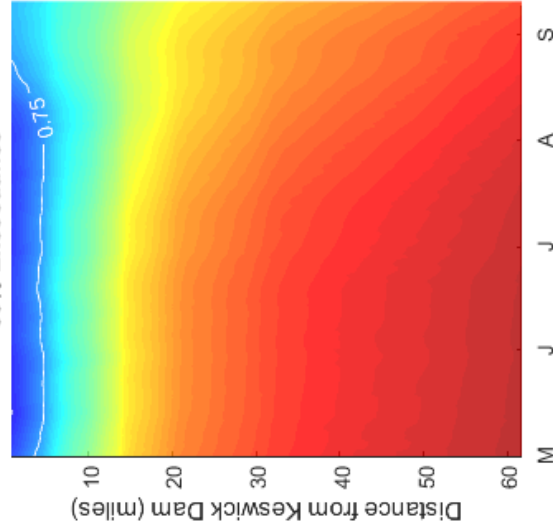

Survival using Median Survival Parameters,
90% Exceedance

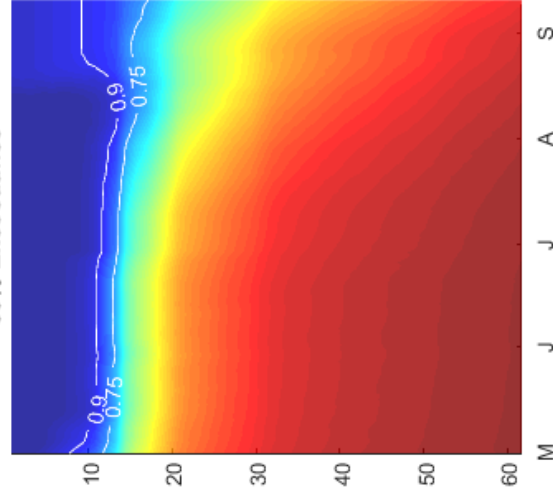

Survival using 90% CI of Survival Parameters,
90% Exceedance

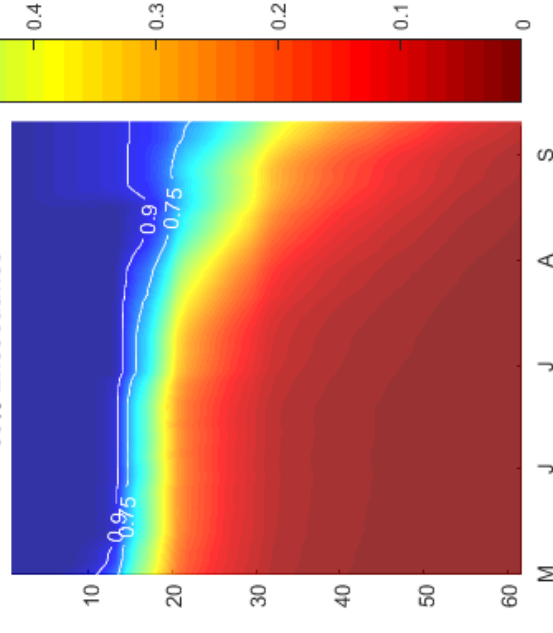

Survival using 10% CI of Survival Parameters,
50% Exceedance

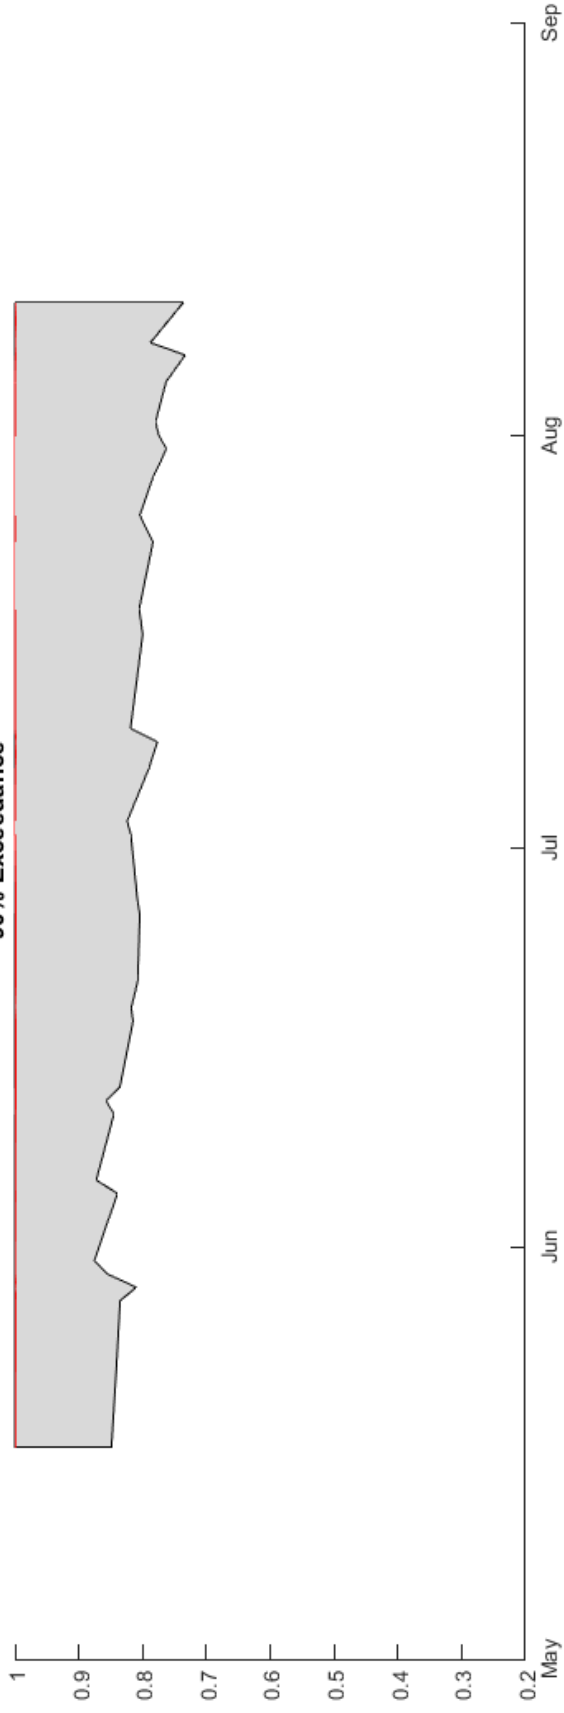

Survival using Median Survival Parameters,
50% Exceedance

Survival using 90% CI of Survival Parameters,
50% Exceedance

Temperature-dependent Survival, 2012-2015 Redd Data
90% Exceedance

Temperature-dependent Survival, 2012-2015 Redd Data
50% Exceedance
