Date: Saturday, March 30, 2019 2:10:12 PM

Ladies and Gentlemen,

On April 2, 2019, the State Water Board will consider adoption of a proposed order issuing a Cease and Desist Order and imposing Administrative Civil Liability against G. Scott Fahey and Sugar Pine Spring Water, LP, as previously scheduled. The Board requests that parties prepare to discuss the following in their oral comments:

1. Replacement water credits and other issues raised in the March 29, 2019 letter and redline strikeout submitted by Modesto Irrigation District, Turlock Irrigation District, and the City and County of San Francisco;
2. Any refinements to the March 28, 2019 revised draft order that may be sufficient to address those issues.

The Board will consider oral comments and determine an appropriate course of action.

Sincerely,
Lily Weaver
She/her/hers
