Section I: INTRODUCTION

1. This Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order (Order, Stipulation, or Stipulation and Order) is entered into by and between the State Water Resources Control Board (State Water Board), on behalf of the Underground Storage Tank Cleanup Fund (Cleanup Fund), with GSA Engineering, Inc. (GSA) and its principal Daniel Louks (Settling Respondents), and is presented to the State Water Board, or its delegatee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60. This Stipulation resolves the violations alleged herein by the imposition of administrative civil liability against GSA in the amount of **\$90,000.00**.

Section II: RECITALS

2. The GSA investigation arose out of the conviction of environmental laboratory owner and director, Roobik Yaghoubi, for fraud related to environmental sample analysis. Mr. Yaghoubi pled guilty to submitting false data to the State Water Board in Los Angeles County Superior Court in Case No. BA450757. GSA and Mr. Louks were clients of Mr. Yaghoubi.
3. On November 17, 2017, the Office of Enforcement’s Fraud, Waste, and Abuse Prevention Unit (Fraud Prevention Unit) issued a request for information and investigative subpoena to GSA. The request notified GSA that the Fraud Prevention Unit was in the process of conducting an audit of invoices and report documents submitted, either directly or through claimants, by GSA to the Cleanup Fund.
4. On August 17, 2018, Mr. Louks sat for a recorded interview with Fraud Prevention Unit staff. Mr. Louks admitted in the interview with Fraud Prevention Unit staff to directing Cal Tech Environmental Laboratories (CTEL) to falsify laboratory report results. In addition, Mr. Louks confirmed that he engaged in the alleged kickback scheme described below.

5. The Fraud Prevention Unit alleges Mr. Louks received kickbacks from CTEL and its affiliate, Pine Crest, Inc., in exchange for submitting inflated invoices to GSA's clients, with the inflated costs ultimately to be paid by the Cleanup Fund. CTEL and Pine Crest made kickback payments to Mr. Louks which he described as a "commission ... paid as a percentage of sales to GSA." Mr. Louks confirmed in the August 17, 2018 interview that he received "kickbacks" from Mr. Yaghoubi. Mr. Yaghoubi's portion of illicit proceeds from the scheme was sixty-five percent (65%). Mr. Louks' portion of illicit proceeds from the scheme was thirty-five percent (35%). The costs reported to the Cleanup Fund include the costs for Mr. Louks "commissions," but that element of the cost was not disclosed to the Cleanup Fund. Rather, the invoice to the Cleanup Fund presented those costs as environmental analysis costs, thus causing the Cleanup Fund to reimburse Mr. Louks for fraudulent costs that were not reasonable and necessary or actually incurred.
6. On September 25, 2014, Senate Bill 445 amended the Health and Safety Code, adding section 25299.80 that allows the State Water Board to impose civil liability administratively for misrepresentations made to the Cleanup Fund.
7. On December 20, 2018, the Fraud Prevention Unit issued GSA a letter offering to enter into settlement negotiations related to the alleged misrepresentations to the Cleanup Fund.
8. Mr. Louks, on behalf of GSA, and the State Water Board (collectively "Parties") have engaged in settlement negotiations and agree to fully and finally settle the alleged violations for **\$90,000.00** without administrative or civil litigation and by presenting this Stipulation to the State Water Board, or its delegee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60 and Health and Safety Code section 25299.80.
9. The Cleanup Fund believes that the resolution of the alleged matter set forth herein is fair and reasonable and fulfills all of its enforcement objectives, that no further action against GSA is warranted concerning invoices and report documents GSA submitted to the Cleanup Fund, either directly or through claimants, except as provided in this Stipulation, and that this Stipulation is in the best interest of the public.

The Parties agree that all oral and written statements and agreements made during the course of settlement discussions will not be admissible as evidence in the hearing. The

Parties agree to waive any and all objections based on settlement communications in this matter, including, but not limited to:
