

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 75-25

AUTHORIZING EXECUTION OF AMENDMENTS RELATIVE  
TO REGIONAL BOARDS' CONTRACTUAL SERVICES AS  
ORIGINALLY AUTHORIZED BY RESOLUTION NO. 74-44

WHEREAS:

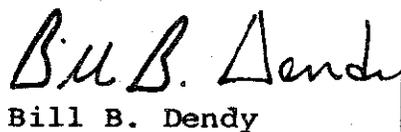

1. Board Resolution No. 74-44 authorized \$277,000 for Regional Boards' contractual services for water quality sampling and laboratory analysis from the budgeted \$370,000 for Regional Board contractual services.
2. Board Resolution No. 74-44 noted that Regional Boards' requirements for laboratory and field services would be reevaluated in midyear by the Division of Planning and Research.
3. The reevaluation indicates that an additional \$40,000 is requested by the Regional Boards for contract augmentations not covered by Resolution No. 74-44.
4. Notwithstanding other authorizations by the Board to fund special investigations for some of the Regions, there exists sufficient funding for augmentations of \$42,350 from current year budgeted monies, making a total authorization of \$319,350 for laboratory and field services.

THEREFORE BE IT RESOLVED:

That this Board authorize the Executive Officer, or any person delegated by the Executive Officer, to execute, augment, or reduce agreements for laboratory and field services during F. Y. 1974-75 within the total amount not to exceed \$319,350.

CERTIFICATION

The undersigned, Executive Officer of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on April 2, 1975.
