STATE WATER RESOURCES CONTROL BOARD RESOLUTION NO. 90-72

RESOLUTION AUTHORIZING THE EXECUTIVE DIRECTOR TO NEGOTIATE AND EXECUTE A MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN THE DEPARTMENT OF HEALTH SERVICES, THE STATE WATER RESOURCES CONTROL BOARD, AND THE REGIONAL WATER QUALITY CONTROL BOARDS FOR THE CLEANUP OF HAZARDOUS WASTE SITES

WHEREAS:

- 1. Executive Order D-55-86 required the Department of Health Services and the State Water Resources Control Board and Regional Water Quality Control Boards to enter into a MOU that specifies each agency's responsibilities in site cleanup, defines standards and criteria for use in remedial action plan development, and identifies a conflict resolution process to resolve interagency disputes.
- The Legislature included a provision in the FY 1987-88 Budget Act requiring the development of such a MOU.
- A draft of the MOU dated December 20, 1988 was released to interested parties for review and comment.
- A workshop was held on August 10, 1989 and representatives from industry. government, and environmental groups were invited to participate.
- 5. Comments received from interested parties have been collated, responses prepared, and modifications made to the MOU as necessary.
- 6. This is the primary MOU with DHS for the cleanup of hazardous waste sites and will be routinely updated to address developing issues and procedures.

THEREFORE BE IT RESOLVED:

That the State Board authorizes the Executive Director to negotiate and execute a MOU between the Department of Health Services, the State Water Resources Control Board, and the Regional Water Quality Control Boards for the cleanup of hazardous waste sites. Board members will be consulted on amendments to the MOU.
