

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD

In the Matter of Fairfield-Suisun
Sewer District -- Petition to
Review Cease and Desist Order
of Regional Board

Order No. 71-8

On February 5, 1971, Fairfield-Suisun Sewer District petitioned the State Water Resources Control Board to review a cease and desist order issued by the California Regional Water Quality Control Board, San Francisco Bay Region, on January 29, 1971. Petitioner also requested the State Board to stay said order until such time as the Board shall have had opportunity to make a decision on review.

Based upon available information the Board determines that sufficient doubt exists as to the appropriateness of the regional board action to warrant a review and that during the pendency of such review the effect of the regional board's order prohibiting additional discharges to the sewer system of the petitioner should be stayed.

It is so ordered.

Dated: February 18, 1971.
