

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2010-0536

MANDATORY PENALTY
IN THE MATTER OF

LINDA COUNTY WATER DISTRICT
WASTEWATER TREATMENT PLANT
YUBA COUNTY

This Complaint is issued to the Linda County Water District (hereafter Discharger) pursuant to California Water Code (CWC) section 13385, which authorizes the imposition of Administrative Civil Liability, and CWC section 13323, which authorizes the Executive Officer to issue this Complaint. This Complaint is based on findings that the Discharger violated provisions of Waste Discharge Requirements (WDRs) Order R5-2006-0096 (NPDES CA0079651).

The Executive Officer of the Central Valley Regional Water Quality Control Board (Central Valley Water Board or Board) finds the following:

1. The Discharger owns and operates a wastewater collection, treatment, and disposal system, and provides sewerage service to the unincorporated area of Linda in Yuba County. Treated municipal wastewater is discharged to both the Feather River and to evaporation/percolation ponds that lie within the 100-year flood plain of the Feather River, a water of the United States. The ponds discharge directly to the Feather River during floods, and have hydraulic continuity with the Feather River.
2. On 22 September 2006, effective 11 November 2006, the Central Valley Water Board issued WDRs Order R5-2006-0096 to regulate discharges of waste from the wastewater treatment plant.
3. On 22 September 2006, the Central Valley Water Board issued Time Schedule Order (TSO) R5-2006-0097. On 29 June 2010, the Executive Officer issued Order R5-2010-0906 amending TSO R5-2006-0097. Finding 24 of Order R5-2010-0906 states that the Discharger is exempted from mandatory penalties for violations of interim effluent limitations for aluminum, ammonia, diazinon, iron, manganese, methoxychlor, and organochlorine pesticides from 22 September 2006 until 21 September 2011. It also exempts the Discharger from mandatory penalties for bis (2-ethylhexyl) phthalate, chromium VI, copper, cyanide, dibenzo (a,h) anthracene, dichlorobromomethane, lead, and zinc from 29 June 2010 until 21 September 2011. This Complaint considers the protection from Mandatory Minimum Penalties provided by TSO R5-2006-0097 and TSO R5-2006-0097-01.
4. On 16 March 2009, the Executive Officer of the Central Valley Water Board issued Administrative Civil Liability Complaint R5-2009-0515 for mandatory minimum penalties for effluent violations from 1 May 2008 through 31 December 2008. The Discharger paid the Complaint and the Board considers the matter resolved.

5. This Complaint covers the period of 1 January 2009 through 30 June 2010. On 13 July 2010, Central Valley Water Board staff issued the Discharger a Notice of Violation and draft Record of Violations (ROV) for the period 1 January 2009 through 31 May 2010. On 25 August 2010, staff sent the Discharger an updated ROV which extended the period of record through 30 June 2010 and included additional violations. On 31 August 2010, the Discharger agreed with the violations.
6. CWC section 13385 subdivisions (h) and (i) require assessment of mandatory penalties and state, in part, the following:

CWC section 13385 subdivision (h)(1) states:

Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each serious violation.

CWC section 13385 subdivision (h)(2) states:

For the purposes of this section, a "serious violation" means any waste discharge that violates the effluent limitations contained in the applicable waste discharge requirements for a Group II pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 20 percent or more or for a Group I pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 40 percent or more.

CWC section 13385 subdivision (i)(1) states:

Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each violation whenever the person does any of the following four or more times in any period of six consecutive months, except that the requirement to assess the mandatory minimum penalty shall not be applicable to the first three violations:

- A) Violates a waste discharge requirement effluent limitation.
- B) Fails to file a report pursuant to Section 13260.
- C) Files an incomplete report pursuant to Section 13260.
- D) Violates a toxicity effluent limitation contained in the applicable waste discharge requirements where the waste discharge requirements do not contain pollutant-specific effluent limitations for toxic pollutants."

7. CWC section 13323 states, in part:

Any executive officer of a regional board may issue a complaint to any person on whom administrative civil liability may be imposed pursuant to this article. The complaint shall allege the act or failure to act that constitutes a violation of law, the provision authorizing civil liability to be imposed pursuant to this article, and the proposed civil liability.

8. WDRs Order R5-2006-0096 Effluent Limitations IV.A.1.a., states in part:

Upon commencement of discharge from the proposed diffuser at EFF-001 or 18 May 2010, whichever is sooner, the discharge of treated wastewater to the Feather River shall maintain compliance with the following effluent limitations ...

9. WDRs Order R5-2006-0096 Effluent Limitations IV.A.2.b., Interim Effluent Limitations—Discharge Point EFF-002, states in part:

During the period beginning **upon the effective date of this Order** and ending **upon commencement of discharge from the proposed diffuser at EFF-001 or 21 September 2011, whichever is sooner**, the discharge of treated wastewater shall maintain compliance with the following limitations at EFF-002...

Parameter	Units	Effluent Limitations				
		Average Monthly	Average Weekly	Maximum Daily	Instantaneous Minimum	Instantaneous Maximum

10. WDRs Order R5-2006-0096 Effluent Limitations IV.A.2.b.iii. Total Residual Chlorine, states, in part:

Effluent total residual chlorine shall not exceed the following:

- c) 0.019 mg/L as a one-hour average;

11. According to the Discharger's self-monitoring reports, the Discharger committed six (6) serious Group II violation of the above effluent limitations contained in Order R5-2006-0096 during the period beginning 1 January 2009 and ending 30 June 2010. The violations are defined as serious because measured concentrations of Group II constituents exceeded maximum prescribed levels by more than 20 percent on these occasions. The mandatory minimum penalty for these serious violations is **eighteen thousand dollars (\$18,000)**.

12. According to the Discharger's self-monitoring reports, the Discharger committed seven (7) non-serious violations of the above effluent limitations contained in Order R5-2006-0096 during the period beginning 1 January 2009 and ending 30 June 2010. Five (5) of the non-serious violations are subject to mandatory penalties under CWC section 13385(i)(1) because these violations were preceded by three or more similar violations within a six-month period. The mandatory minimum penalty for these non-serious violations is **fifteen thousand dollars (\$15,000)**.
13. The total amount of the mandatory penalties assessed for the cited effluent violations is **thirty-three thousand dollars (\$33,000)**. A detailed list of the cited effluent violations is included in Attachment A, a part of this Complaint.
14. Issuance of this Administrative Civil Liability Complaint to enforce CWC Division 7, Chapter 5.5 is exempt from the provisions of the California Environmental Quality Act (Pub. Resources Code section 21000 et seq.), in accordance with California Code of Regulations, title 14, section 15321 subdivision (a)(2).

THE LINDA COUNTY WATER DISTRICT IS HEREBY GIVEN NOTICE THAT:

1. The Executive Officer of the Central Valley Water Board proposes that the Discharger be assessed an Administrative Civil Liability in the amount of **thirty-three thousand dollars (\$33,000)**.
2. A hearing on this matter will be held at the Central Valley Water Board meeting scheduled on **8/9/10 December 2010**, unless the Discharger does one of the following by **13 October 2010**:

 - b) The Central Valley Water Board agrees to postpone any necessary hearing after the Discharger requests to engage in settlement discussions by checking off the box next to Option #2 on the attached form, and returns it to the Board along with a letter describing the issues to be discussed; or
 - c) The Central Valley Water Board agrees to postpone any necessary hearing after the Discharger requests a delay by checking off the box next to Option #3 on the attached form, and returns it to the Board along with a letter describing the issues to be discussed.
3. If a hearing on this matter is held, the Central Valley Water Board will consider whether to affirm, reject, or modify the proposed Administrative Civil Liability, or whether to refer the matter to the Attorney General for recovery of judicial civil liability.

If this matter proceeds to hearing, the Executive Officer reserves the right to amend the proposed amount of civil liability to conform to the evidence presented, including but not limited to, increasing the proposed amount to account for the costs of enforcement (including staff, legal and expert witness costs) incurred after the date of the issuance of this Complaint through completion of the hearing.

By signing this waiver, I affirm and acknowledge the following:

I am duly authorized to represent Linda County Water District (hereafter Discharger) in connection with Administrative Civil Liability Complaint R5-2010-0536 (hereafter Complaint). I am informed that California Water Code section 13323, subdivision (b), states that, "a hearing before the regional board shall be conducted within 90 days after the party has been served. The person who has been issued a complaint may waive the right to a hearing."

(OPTION 1: Check here if the Discharger waives the hearing requirement and will pay in full.)

- a. I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board.
- b. I certify that the Discharger will remit payment for the proposed civil liability in the full amount of **thirty-three thousand dollars (\$33,000)** by check that references "ACL Complaint R5-2010-0536" made payable to the *State Water Pollution Cleanup and Abatement Account*. Payment must be received by the Central Valley Water Board by **13 October 2010**.

I understand the payment of the above amount constitutes a proposed settlement of the Complaint, and that any settlement will not become final until after a 30-day public notice and comment period. Should the Central Valley Water Board receive significant new information or comments during this comment period, the Central Valley Water Board's Executive Officer may withdraw the complaint, return payment, and issue a new complaint. I also understand that approval of the settlement will result in the Discharger having waived the right to contest the allegations in the Complaint and the imposition of civil liability.
- d. I understand that payment of the above amount is not a substitute for compliance with applicable laws and that continuing violations of the type alleged in the Complaint may subject the Discharger to further enforcement, including additional civil liability.

(OPTION 2: Check here if the Discharger waives the 90-day hearing requirement in order to engage in settlement discussions.) I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board within 90 days after service of the complaint, but I reserve the ability to request a hearing in the future. I certify that the Discharger will promptly engage the Central Valley Water Board Prosecution Team in settlement discussions to attempt to resolve the outstanding violation(s). By checking this box, the Discharger requests that the Central Valley Water Board delay the hearing so that the Discharger and the Prosecution Team can discuss settlement. (OPTION 3: Check here if the Discharger waives the 90-day hearing requirement in order to extend the hearing date and/or hearing deadlines. Attach a separate sheet with the amount of additional time requested and the rationale.) I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board within 90 days after service of the complaint. Members of the Advisory Team are: Mr. Kenneth Landau and Mr. Alex Mayer. Members of the Prosecution Team are: Ms. Pamela Creedon, Mr. Frederick Moss, Ms. Wendy Wyels, Mr. Victor Vasquez, Mr. Barry Hilton, and Shannon Chambers. Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Pamela Creedon regularly advises the Central Valley Water Board in other, unrelated matters, but is not advising the Central Valley Water Board in this proceeding. Other members of the Prosecution Team act or have acted as advisors to the Central Valley Water Board in other, unrelated matters, but they are not advising the Central Valley Water Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with the members of the Central Valley Water Board or the Advisory Team regarding this proceeding.

Ex Parte Communications

The designated parties and interested persons are forbidden from engaging in ex parte communications regarding this matter with members of the Advisory Team or members of the Central Valley Water Board. An ex parte contact is any written or verbal communication pertaining to the investigation, preparation or prosecution of the ACL Complaint between a member of a designated party or interested person on the one hand, and a Central Valley Water Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated parties (if written) or made in a manner open to all other designated parties (if verbal). Communications regarding non-controversial procedural matters are not ex parte contacts and are not restricted. Communications among one or more designated parties and interested persons themselves are not ex parte contacts.

The following communications to the Advisory Board must be copied to all designated parties: Objections to these Hearing Procedures; requests for modifications to these Hearing Procedures; requests for designated party status, or objections thereto; and all written evidence, legal argument or policy statements from designated parties. This is not an all-inclusive list of ex parte communications.

Hearing Time Limits

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each designated party shall have a combined 30 minutes to present evidence (including evidence presented by witnesses called by the designated party), cross-examine witnesses (if warranted), and provide a closing statement; and each

interested person shall have 3 minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team so that it is received by 5:00 p.m. on **17 November 2010**. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Central Valley Water Board Chair (at the hearing) upon a showing that additional time is necessary. Such showing shall explain what testimony, comments or legal argument require extra time, and why the Discharger could not adequately provide the testimony, comments or legal argument in writing before the hearing.

If *new* rebuttal evidence or argument is accepted after the above date, designated parties shall submit any requests for additional time to respond to the rebuttal no later than **3 December 2010**. In most cases, additional time will not be necessary to respond to rebuttal.

A timer will be used, but will not run during Board questions or the responses to such questions, or during discussions of procedural issues.

Submission of Evidence and Policy Statements

Case in Chief: The Prosecution Team, the Discharger and each other designated party must submit the following information in writing in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the Central Valley Water Board to consider. Evidence and exhibits already in the public files of the Central Valley Board may be submitted by reference as long as the exhibits and their location are clearly identified in accordance with California Code of Regulations, title 23, section 648.3. Board members will generally not receive copies of materials incorporated by reference, and the referenced materials are generally not posted on the Board's website.
2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the designated party intends to call at the hearing, the subject of each witness' proposed testimony, and the estimated time required by each witness to present direct testimony. (This information is not required for rebuttal witnesses or rebuttal testimony.)
4. The qualifications of each expert witness, if any. (This information is not required for rebuttal witnesses.)

The Prosecution Team's information must include the legal and factual basis for its claims against each Discharger; a list or attached copy of all evidence on which the Prosecution Team relies, which must include, at a minimum, all documents cited in the complaint or Staff Report; and the witness information required under items 3-4 for all witnesses, including staff. The Prosecution Team shall provide an electronic copy to Mr. Kenneth Landau and Mr. Alex Mayer of all documents cited in the complaint or Staff Report no later than the due date under Important Deadlines, below.

The Prosecution Team shall submit one hard copy and one electronic copy to Mr. Kenneth Landau and one electronic copy to Mr. Alex Mayer. Each other designated party shall submit 3 hard copies and one electronic copy to Mr. Kenneth Landau and one electronic copy to Mr. Alex Mayer. Mr. Kenneth Landau and one electronic copy to Mr. Alex Mayer must receive all submissions no later than 5:00 p.m. on the applicable due date under Important Deadlines, below.

Rebuttal: Any designated party that would like to submit evidence, legal analysis or policy statements to rebut the information previously submitted by other designated parties shall submit 3 hard copies of their rebuttal information to Mr. Kenneth Landau and one electronic copy of the information to Mr. Alex Mayer so that they are received by 5 p.m. on the due date under Important Deadlines, below. "Rebuttal" means evidence, analysis or comments offered to disprove or contradict other designated parties' submissions. Rebuttal shall be limited to the scope of the materials previously submitted by the other designated parties. Rebuttal information that is not responsive to information previously submitted by other designated parties may be excluded.

Copies: Board members will receive copies of all materials submitted in hard copy or electronic format. The Board's copies will be printed in black and white from the designated parties' electronic copies. Designated parties who are concerned about print quality of all or any part of their written materials should submit a high-resolution pdf or provide an extra nine paper copies for the Board members. For items with voluminous submissions, Board members may receive copies electronically only. Electronic copies are also posted on the Board's website.

Parties without access to computer equipment are strongly encouraged to have their materials scanned at a copy and mailing center. However, the Board will not reject materials solely for failure to provide electronic copies.

By **23 November 2010**, the Prosecution Team shall prepare a summary agenda sheet ("buff sheet") for this item to be included in the Board members' agenda package and posted on the internet. The buff sheet shall clearly state that it was prepared by the Prosecution Team. The Prosecution Team shall provide a copy of the buff sheet to all parties by mail or email.

Interested persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to the Advisory Team as early as possible, but they must be received by **23 November 2010**. Interested persons do not need to submit written comments in order to speak at the hearing.

In accordance with California Code of Regulations, title 23, section 648.4, the Central Valley Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the Central Valley Water Board may exclude evidence and testimony that is not submitted in accordance with this Hearing Procedure. Excluded evidence and testimony will not be considered by the Central Valley Water Board and will not be included in the administrative record for this proceeding. Power Point and other visual presentations may be used at the hearing, but their content may not exceed the scope of other submitted written material. Designated parties must

provide the Advisory Team with a printed copy of such materials at or before the hearing, for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.

Evidentiary Documents and File

The Complaint and related evidentiary documents are on file and may be inspected or copied at the Central Valley Water Board office at 11020 Sun Center Drive, Rancho Cordova, CA 95670. ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2010-0536 FOR ASSESSMENT OF MANDATORY MINIMUM PENALTIES, LINDA COUNTY WATER DISTRICT, WASTEWATER TREATMENT PLANT, YUBA COUNTY

Enclosed is an Administrative Civil Liability Complaint (Complaint), issued pursuant to California Water Code section 13385, for violations of Waste Discharge Requirements (WDRs) Order R5-2006-0096 (NPDES CA0079651) by the Linda County Water District (Discharger) at its Wastewater Treatment Plant. The Complaint charges the Discharger with administrative civil liability in the amount of **thirty-three thousand dollars (\$33,000)**, which represents the sum of accrued Mandatory Minimum Penalties for effluent limitation violations which occurred from 1 January 2009 through 30 June 2010.

On 13 July 2010, Central Valley Water Board staff issued a draft Record of Violations (ROV) for the period 1 January 2009 through 31 May 2010. On 25 August 2010, staff sent the Discharger an updated ROV through 30 June 2010. On 31 August 2010, the Discharger responded and agreed with the violations.

Pursuant to CWC section 13323, the Discharger may:

- Pay the proposed administrative civil liability and waive its right to a hearing (Option #1 on the attached waiver form);
- Ask that the hearing be postponed to facilitate settlement discussions or for other reasons (Options #2 or #3 on the attached waiver form); or
- Contest the Complaint and/or enter into settlement discussions without signing the enclosed waiver.

If the Central Valley Water Board does not receive a signed waiver **by 13 October 2010**, a hearing will be scheduled for the **8/9/10 December 2010** Board meeting in Rancho Cordova. This hearing will be governed by the attached Hearing Procedures, which have been approved by the Board Chair for use in adjudicating matters such as this one. Any objections to the Hearing Procedures must be received by Alex Mayer, whose contact information is listed in the Hearing Procedures, by **5 p.m. on 27 September 2010**.

California Environmental Protection Agency

If the Discharger chooses to sign the waiver and pay the assessed civil liability, this will be considered a tentative settlement of the violations. The settlement will be considered final pending a 30-day comment period, starting from the date this Complaint is issued. Interested parties may comment on the proposed action during this period by submitting written comments to the Central Valley Water Board staff person listed below. Should the Central Valley Water Board receive new information or comments during this comment period, the Executive Officer may withdraw the complaint, return payment, and issue a new complaint. If the Central Valley Water Board does not hold a hearing on the matter, and if the terms of the final settlement are not significantly different from those proposed in the enclosed Complaint, then there will be no additional opportunities for public comment on the proposed settlement.

In order to conserve resources, this letter transmits paper copies of the documents to the Discharger only. Interested persons may download the documents from the Central Valley Water Board's Internet website at:
