

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

ORDER NO. R5-2013-0036

RECISSION OF
CEASE AND DESIST ORDER 5-00-166
FOR
LINDA COUNTY WATER DISTRICT
WASTEWATER TREATMENT PLANT
YUBA COUNTY

The California Regional Water Quality Control Board, Central Valley Region, (hereafter referred to as Central Valley Water Board) finds that:

1. The Linda County Water District (Discharger) owns and operates a wastewater treatment plant (WWTP). The Discharger was previously regulated under Waste Discharge Requirements (WDRs) Order 5-00-165 (NPDES No. CA0079651). As of 27 July 2012, the Discharger is regulated by Order R5-2012-0034.
2. On 16 June 2000, the Central Valley Water Board adopted Cease and Desist Order (CDO) 5-00-166 for the Linda County WWTP. The CDO required disinfection of the effluent waste stream to the Feather River by 1 June 2005.
3. As of May 2005, the Discharger achieved compliance by providing disinfection to the effluent waste stream to the Feather River. Therefore, Order 5-00-166 is no longer necessary.
4. The Central Valley Water Board has notified the Discharger and interested agencies and persons of its intent to rescind Order 5-00-166, and has provided them with an opportunity for a public hearing and an opportunity for them to submit their written views and recommendations.
5. Issuance of this Order is exempt from the provisions of the California Environmental Quality Act (Public Resources Code section 21000 et seq.), in accordance with California Code of Regulations, title 14, section 15321(a) (2).
6. The Central Valley Water Board, in a public meeting, heard and considered all comments and evidence pertaining to this matter.

IT IS HEREBY ORDERED that Cease and Desist Order 5-00-166 is rescinded.

I, PAMELA C. CREEDON, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Central Valley Region, on 12 April 2013.

Original Signed by

PAMELA C. CREEDON, Executive Officer
