

ITEM: 8

SUBJECT: Groundwater Management Plans (AB3030/SB1938) and
Groundwater Quality Protection

BOARD ACTION: *No Board action. Information Item Only.*

BACKGROUND: David Orth of the Kings River Conservation District will discuss AB3030 and SB1938 that defined a public process and provided technical guidance on the preparation of groundwater management plans. The history and background of SB1938 will be discussed along with elements added to the California Water Code. Application of SB1938 will be discussed from the district level, regional and groundwater basin coordination, and integrated regional water management plans. The presentation will be concluded with a discussion of the opportunities and challenges presented by linkage to the Irrigated Lands Regulatory Program.

No recommendation, information item only.
