It was brought to my attention at my meeting at the Waterboard office on Thursday, May 5th that submitting the documents to the attending attorneys, engineers and economists does not meet the requirement for submittal to the Waterboard. This is the first I was made aware of this. Please find the attached financial documents. We are working to resolve this however in the event a resolution cannot be reached I am submitting the attached documents to meet the Inability to pay plea.

My accountant Shawn Chan will be a witness at future hearings if a resolution cannot be reached.

Thank you
