Project Name:

Soitec Solar Development LLC - Rugged Solar Project, WDID No. 7A373005001

Receiving Water:

Tule Creek, Tule Lake, Salton Sea

Location:

City or area: Boulevard, California; San Diego County, California

Longitude/ Latitude: UTM Zone 11S

Township/Range: S16, S17 T17S R7E

Project Description:

The overall project purpose is to construct and operate a solar generation facility comprising up to 80 MW AC. Power from the project will fulfill requirements of the state of California's Renewable Portfolio Standard (RPS) and greenhouse gas emissions (GHG) reduction objectives, which require renewable energy to comprise 25% of total electricity sold to retail customers by the end of 2016 and 33% by 2020 and to provide a local source of electrical generation for the San Diego region.

Action:

Pending
