Dear Mr. Dahlberg:

The California Regional Water Quality Control Board, Los Angeles Region (Regional Board), is the public agency with primary responsibility for the protection of ground and surface water quality for all beneficial uses within major portions of Los Angeles and Ventura Counties, including the referenced property above.

On May 5, 2016, the Regional Board transmitted a tentative Cease and Desist Order (CDO) No. R4-2016-XXXX for Paradise Cove Beach Café and Paradise Cove Mobile Home Park treatment systems for the Paradise Cove Beach Café and Paradise Cove Mobile Home Park. The tentative CDO has been revised.

The revised tentative CDO, in association with the previously released tentative WDRs/WRRs and Revised MRP, are also available at the Regional Board's website:

In accordance with administrative procedures, the Regional Board is scheduled to consider the enclosed tentative CDO and comments timely received at a public hearing to be held at 9:00 AM on July 14, 2016 at the Metropolitan Water District of Southern California, 700 North Alameda Street, Los Angeles, California. The Regional Board will hear any testimony pertinent to this discharge and the tentative requirements. It is expected that the Regional Board will take action at the hearing; however, as testimony indicates, the Regional Board at its discretion may order further investigation.

In order to be evaluated by Regional Board staff and included in the Regional Board members' agenda packets, written comments or evidence regarding these revised tentative CDO must be received at the Regional Board's office by **5:00 p.m. on July 7, 2016**. Failure to comply with these requirements is grounds for the Regional Board to refuse to admit the proposed written comment or evidence into the record. Timely submittal of written comments is required to ensure that all comments are accurately and fully included in the administrative record, that Regional Board staff is able to provide timely review and time to respond to comments, and that
