To ensure that the Regional Board Members are given the opportunity to fully study and consider written material, it is necessary that 12 copies of any such material be provided to the Executive Officer not later than five (5) days before the meeting (unless otherwise specified for a particular agenda item in this notice). This will allow distribution of the material to the Board Members and appropriate staff in advance of the meeting.

Item 12, The Sunshine Canyon Landfill hearing was commenced during the July 24, 2003 meeting, and continued to this meeting. Item submittals and comments for this session were due August 25, 2003.

The parties to all other items must submit written comments or exhibits to the Executive Officer no later than September 4, 2003. Failure to comply with these requirements is grounds for the Board to refuse to admit the proposed written comment or exhibit into evidence. (Title 23, CCR, Section 648.4) The Regional Board may refuse to admit written testimony into evidence unless the proponent can demonstrate why he or she was unable to submit the material on time or that compliance with the deadline would otherwise create a hardship. If any other party demonstrates prejudice resulting from admission of the written testimony, the Regional Board may refuse to admit it.

If you are reading a statement at the Board meeting, please provide the Executive Assistant with a copy at the meeting. The Board will endeavor to consider all matters listed on this agenda. However, time may not allow the Board to hear all matters listed. Matters not heard at this meeting may be carried over
