

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

ORDER NO. 80-19

ORDER AMENDING ORDER NO. 75-68 PRESCRIBING

WASTE DISCHARGE REQUIREMENTS FOR

REDWOOD SANITARY LANDFILL, INC.
NOVATO, MARIN COUNTY

The California Regional Water Quality Control Board, San Francisco Bay Region, (hereinafter called the Board) finds that:

1. The Board adopted Order No. 75-68 prescribing waste discharge requirements for the Redwood Sanitary Landfill, Inc., Novato, Marin County, (Attachment A) on October 21, 1975.
2. The Board adopted Resolution No. 77-7 prescribing minimum criteria for proper closure of Class II solid waste disposal sites on July 19, 1977.
3. Order No. 75-68 does not specify compliance with Resolution No. 77-7.
4. Provision C.2. of Order No. 75-68 allows disposal of wastes outside of the active disposal area as shown on Attachment "B" to Order No. 75-68 upon approval by the Board's Executive Officer. The Board's Executive Officer approved extension of the active disposal area on July 2, 1979 on request of the discharger. This approval was based on continued compliance with all discharge requirements for disposal of wastes in this new area.
5. This Board has notified the discharger and interested agencies and persons of its intent to prescribe waste discharge requirements for the discharge and has provided them with an opportunity for a public hearing and an opportunity to submit their written views and recommendations.
6. The Board, in a public meeting, heard and considered all comments pertaining to the discharge.
7. This project involves the continued operation of a Class II-2 facility with minor alterations to the land. Consequently, this project will not have a significant effect on the environment based upon the exemption provided in Section 15101, Title 14, California Administrative Code.

IT IS HEREBY ORDERED that Order No. 75-68 is amended as follows:

A. Provision C.7. of Order No. 75-68 shall be deleted and replaced with the following:

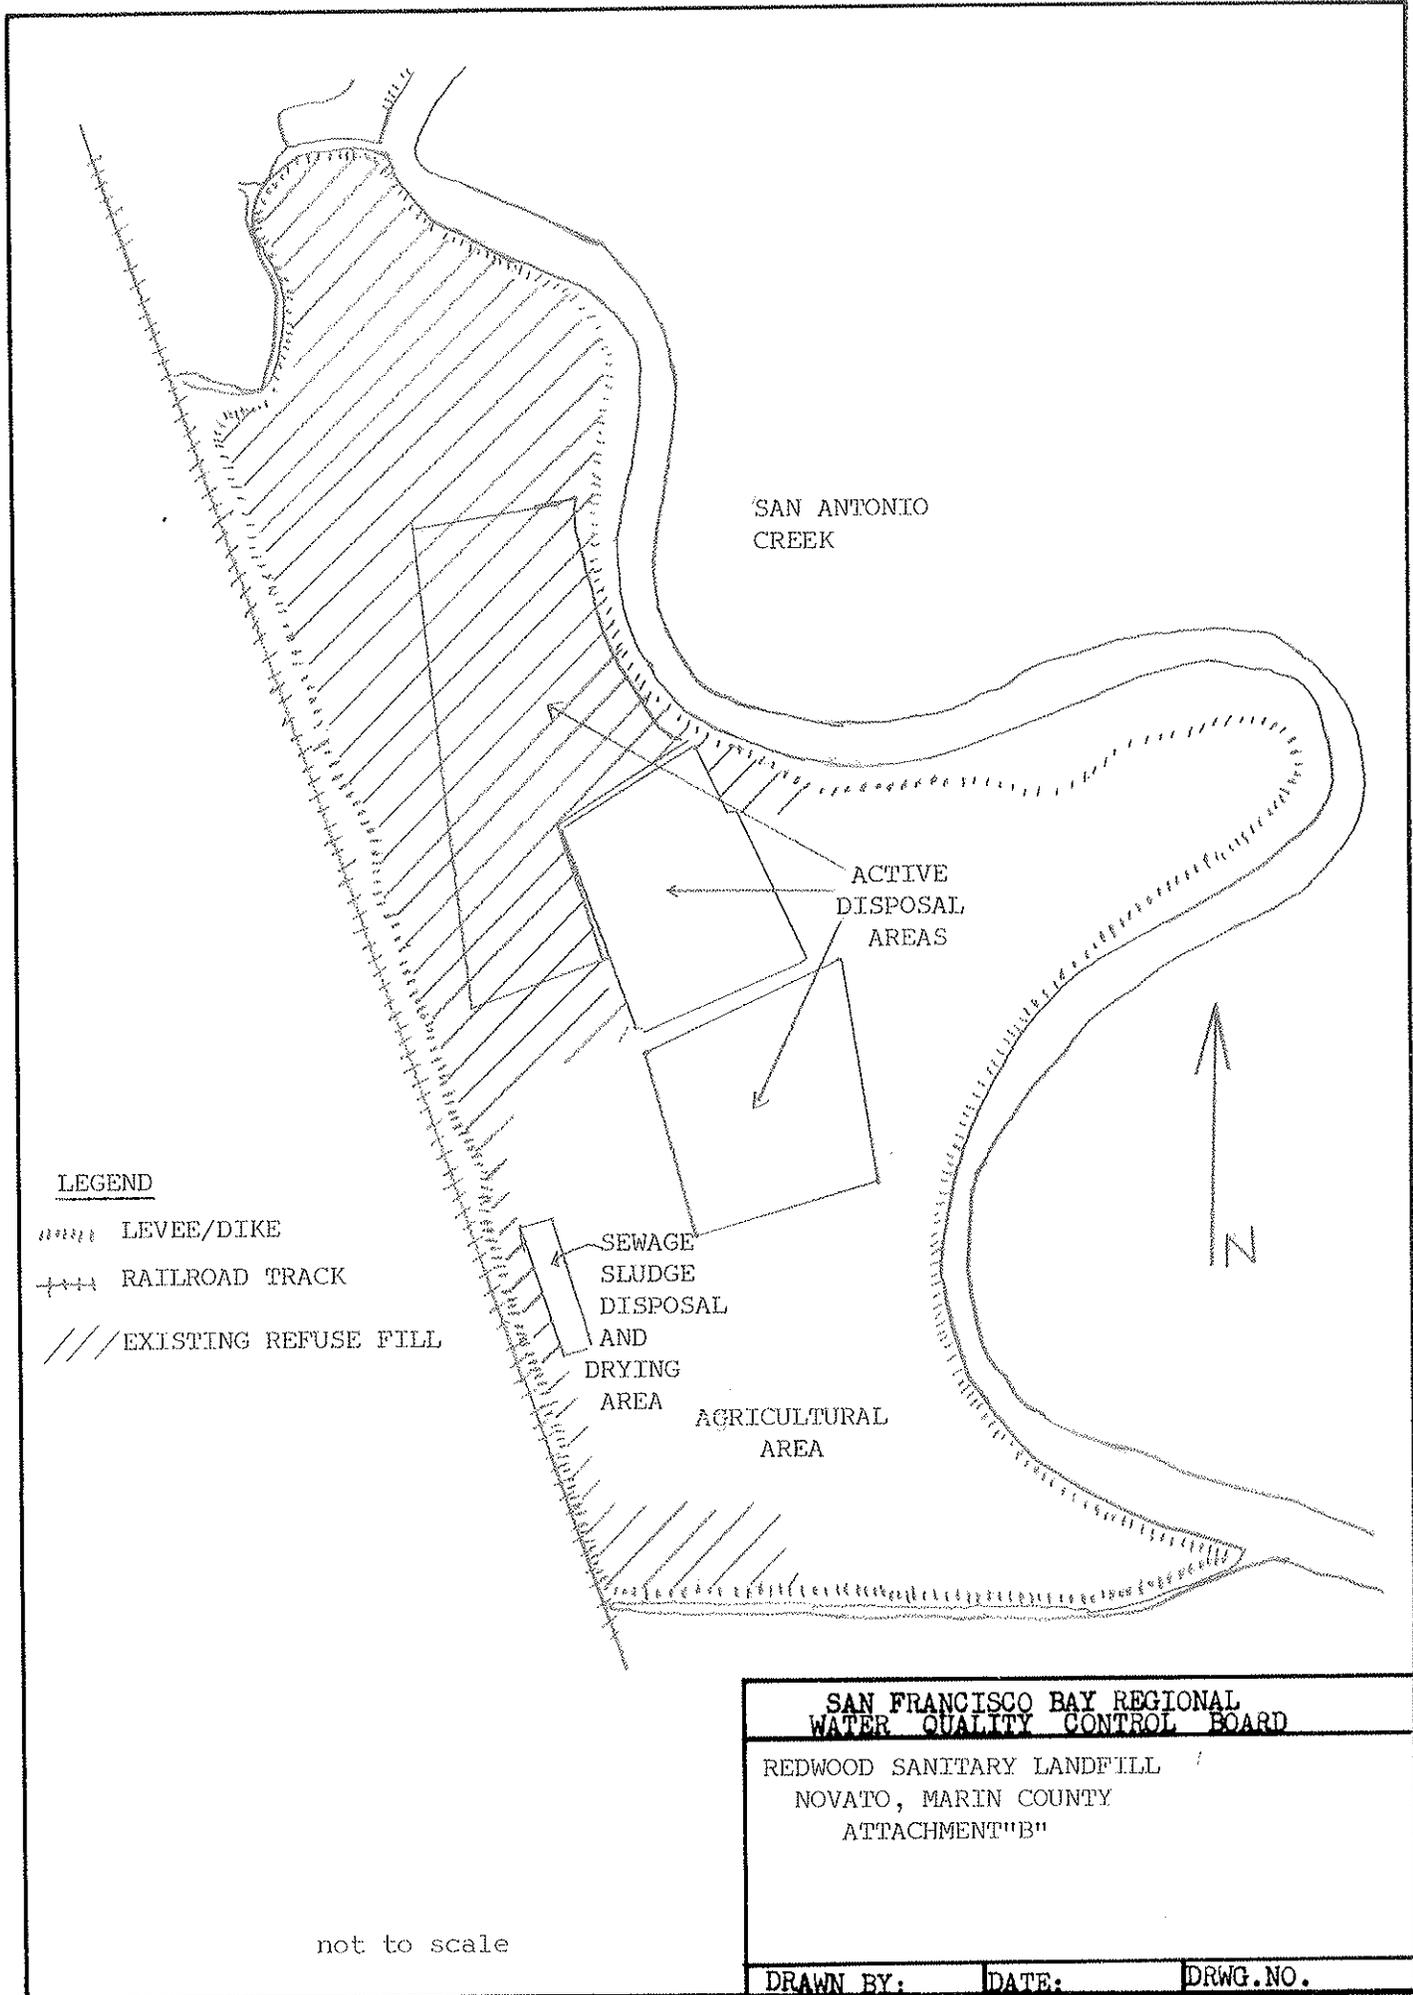

"7. The discharger(s) shall submit a site closure plan to the Board no later than May 1, 1981 which shall conform to Resolution No. 77-7 adopted by this Board. The plan shall be prepared by or under the supervision of a registered engineer or a certified engineering geologist."

B. Attachment "B" to Order No. 75-68 shall be replaced with Attachment "B" to this Order.

I, Fred H. Dierker, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region on April 15, 1980.

FRED H. DIERKER
Executive Officer
