John Muller, Chair  
S.F. Bay Regional Water Board  
1515 Clay Street Suite 1400  
Oakland, CA 94612

Dear Mr. Muller:

The SF Bay is filled with trash. It destroys recreation, impacts water quality, and kills marine wildlife. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot"—this does not go far enough. Our precious Bay deserves the highest level of protection—zero trash!

Sincerely,
