

John Muller, Chair
S. F. Bay Regional Water Board
1515 Clay Street, Suite 1400
Oakland, CA 94612

March 30, 2009

Dear Mr. Muller,

I'm writing to urge you to adopt a much more stringent standard for keeping trash out of S. F. Bay than is currently proposed. Trash in the bay impacts water quality, kills marine wildlife and impacts recreation. Cities and counties should be required to strive for zero trash in the Bay.

Please reply and let me know how the board plans to act in this matter.

Sincerely,

Becky Osborn-Coolidge
