

Regional Board General Waste Discharge Requirements (WDRs) Working Group Meeting

Date: April 15, 2013

Time: 10:00 am

Location: Regional Board Office, 320 West 4th Street, Suite 200, Los Angeles, CA 90013

Purpose: The WDR work group will consist of regulatory and private industry sectors to update the existing General WDRs adopted by the Board in 2007. Since then, new technologies have been developed and available for in-situ groundwater remediation. The work group is formed to assist Regional Board staff to update the General WDR. This is the first meeting of the WDR work group.

The current general WDR can be seen on our website at:
