Subject: Proposed rate increases

Hello: As a business owner and Board member of the Citrus Heights Chamber of Commerce, I am deeply concerned about the draft permit that was recently submitted. I can't see any valid reason for building new facilities that would A) not only not improve our lives as citizens, but B) would have a devastating impact on businesses and homeowners.

We can't possibly afford all this new infrastructure, especially at a time like this when all budgets and family resources are strained to the hilt.

Please, please, don't add to our already overwhelming burdens.

Respectfully,

Paul Savage, MSOD
